FIRST COUNCIL OF LEAGUE FRIDAY

Marks Beginning of a New Era in International Cooperation, Declares Wilson

TEXT OF CALL MADE PUBLIC

WASHINGTON, Jan. 13.—Assembly of the council of the league of nations in Paris next Friday will "mark the beginning of a new era in international cooperation and the first great step towards the ideal concert of nations," President Wilson declared in issuing the call for the meeting, as provided by the treaty of Versailles. The text of the call was made public tonight.

"It will bring the league of nations into being as a living force devoted to the task of assisting the peoples of all countries in their desire for peace, prosperity and happiness" the cablegram addressed to Great Britain, France, Italy, Japan, Brazil, Belgium and Spain, said.

"The president is convinced that its progress will accord with the noble purpose to which it is dedicated."

President Wilson's message was transmitted to United States embassies in the countries named for formal presentation to those governments. It was the same in each case, with the exception of the address. The full text of the call sent to London follows:

"In compliance with Article Five of the covenant of the league of nations which went into effect at the same time as the treacy of Versailles of June 28, 1919, of which it is a part, the president of the United States, acting on behalf of those nations which have deposited their instruments of ratification in Paris as certified in a process-verbal drawn up by the French government dated Jan. 10, 1920, has the honor to inform the government of Great Britain that the first meeting of the council of the league of nations will be held in Paris, at the ministry of foreign affairs on Friday, January 16, at 10:30 a. m.

"The president earnestly ventures the hope that the government of Great Britain will be in a position to send a representative to this first meeting.

"He feels that it is unnecessary for him to point out the deep significance attached to this meeting or the importance which it must assume in the eyes of the world.

"It will mark the beginning of a new era in international cooperation and the first great step towards the ideal concert of nations. It will bring the league of nations into being as a living force devoted to the task of assisting the peoples of all countries in their desire for peace, prosperity and happiness. The president is convinced that its progress will accord with the noble purpose to which it is dedicated."

U. S. Waives Claim for Ships.

Paris, Jan. 13.—In the supreme council today Hugh C. Wallace, the American ambassador, raised the question whether the council intended to maintain the percentages previously adopted for the distribution among the allied and associated powers of the warship tonnage to be given up by Germany.

Receiving an answer in the affirmative, Ambassador Wallace informed the council that the United States in that case waived its claim to any part of this tonnage.

No Explanation Given.

Washington, Jan. 13.—The United States government has refused to accept any part of the indemnity to be paid by Germany for destruction of the German fleet in Scapa Flow because it objects in principle to the settlement made by the supreme council, it was said today at the state department.

Germany in compensation for the destruction of the surrendered warships is requested to deliver to the allies certain inland steamers and harbor facilities such as floating docks and tugs and the council has decided to allocate two per cent of this material to the United States. Ambassador Wallace today informed the council that if its decision with respect to the award was final the United States would waive its claim to any part of the indemnity.

State deyartment officials would not explain the American government's objection to the settlement, but it was recalled that from the first the American representatives at the peace conference have favored destruction of the German ships on the ground that their division among the other powers would make it necessary for this country to proceed with a much larger naval building program than would otherwise be regarded necessary.

DIES FROM INJURIES RECEIVED IN WRECK

Burlington, Iowa, Jan. 13.—L. Silvers of Galesburg, engi- injured yesterday in the sion of the boiler of his lo- ve wherein his fireman, ingle, was killed, died last

URGES REVISION OF INCOME TAX LAW

Faults of Present Federal Tax Law Pointed Out by Otto H. Kahn, New York Banker.

New York, Jan. 13.—Revision of the federal income tax law, to bring the levy "within the bounds of moderation," and afford relief "in the present era of economic disturbance" was urged here tonight by Otto H. Kahn, New York banker.

Speaking before the council on foreign relations, Mr. Kahn declared the three chief factors in upsetting present day economics were the world's demand for America's raw materials and manufactured articles, inflation and faulty taxation. The world's demand for American materials and services will slacken gradually, he said, the cure for inflation is slow process but the remedy for faulty taxation can be secured at once whenever it pleases congress and the administration to seek that remedy and apply it.

Citing an extreme instance in which a person in the highest taxable class would have to make nearly 17 per cent with a corporate security or in his business to get the same return he would receive by investing in a tax free municipal, state or federal bond. Mr. Kahn reached these conclusions:

"No bond—foreign or domestic—can compete with the attractiveness of tax exempt bonds to those in possession of incomes of any considerable size.

"The owners of medium sized or large incomes have gone on strike as far as investing in corporate securities is concerned, thus greatly diminishing the quantity of funds available for private enterprises.

"The American investment market for the time being has been largely destroyed; the shrinkage in the value of existing corporate bonds which is to the largest extent attributable to the income tax amounts to billions of dollars, the free flow of capital and the normal working of the investment market are absolutely basic elements for every kind of trade and industry and we cannot have a return to normal conditions of trade, prices, etc., until our investment market will have come within measurable distance at least of normal conditions, which is impossible as long as our present income tax remains in force."

VINDICATED OF MURDER CHARGE

No Action Taken by Jefferson County Grand Jury to Hold Louisville Physician.

Louisville, Ky., Jan. 13.—Dr. Christopher G. Schott, Louisvile physician, whom the Jeferson county grand jury today refused to indict on the chage of murder feels that his theory that Elizabeth Griffith, his office girl, shot and killed herself has been vindicated.

"Truth will prevail," he is quoted as having said when the grand jury's report was read in court. "I have never worried about the case," he said. "I always thought everything would come out all right. Of course I feel gratified at this complete vindication." The view of Mrs. John Griffith, mother of the dead girl, was that her daughter did not commit suicide.

"There is another and higher court," she said, "and as sure as there is a God in Heaven the guilty will be punished."

Court officials said that if the suicide theory subsequently is rejected the testimony taken at the present inquiry may be submitted to future grand juries. Such action is regarded as remote, however, and the grand jury's action today apparently closes a case which has stirred Louisville since the body of the girl with a bullet thru her heart was found in the physician'es office three weeks ago.

Dr. Schott is 41 years old and unmarried. Miss Griffith was 17 and was his office assistant. Testimony at trial indicated that they had been engaged to be married. Later it was shown the engagement had been broken and Miss Grifith had been engaged to Captain George K. Jordan, an army officer at Camp Zachary Taylor.

NATIONAL ISSUES WILL BE DEBATED

PIERRE, S. D., Jan. 13.—A formal challenge issued by United States Senator Miles Poindexter of Washington to Major Gen. Leonard Wood to debate national issues in South Dakota was received here today by the secretary of state.

General Wood received the majority endorsement for president by the Republican state convention and accepted. Senator Poindexter filed as an independent candidate for Republican indorsement at the March primary.

Under the Richards primary law of South Dakota a candidate receiving the majority endorsement must accept a challenge to debate.

EPIDEMIS OF MEASLES IN NEW YORK

New York, Jan. 13.—An increase in the number of cases of measles here has caused Dr. Royal S. Copeland, health commissioner, to ask Dr. W. H. Park, director of the bureau of laboratories to undertake a serious study of the disease at once. Appearance of measles at this time of year was unexpected Dr. Copeland said as it usually reaches its maximum here in May. There have been 2,221 cases reported in the last ten days.

RATIFICATION OF TREATY PROMISED

Lodge and Hitchcock Assure Callers Early Agreement on Pact Probable

MANY CALL AT CAPITOL BUILDING

WASHINGTON, Jan. 13.—Assurances that Democratic and Republican senators were united in endeavoring to end the senate treaty deadlock and to avoid carrying the treaty issues into the coming political campaign were given by Senators Lodge of Massachusetts and Hitchcock of Nebraska, Republican, and acting Democratic leaders respectively today to spokesmen of organizations claiming to represent 20,000,000 people desireous of early ratification of the treaty.

The two leaders were visited separately at the capitol by more than a score of representatives of various organizations, including societies working for ratification of the peace treaty, labor unions and other religious societies, and agricultural and educational bodies. The calls on the senate leaders followed a meeting to urge immediate ratification of the treaty with such reservations as may be necessary to secure the requisite two thirds vote.

Senator Lodge told the delegation he would be glad to consider any modifications of the treaty reservations which the Democratic minority might presen; and that there was being evinced "a general desire" to dispose of the treaty promptly so as to avert its injection into the elections. Republicans and Democrats in the senate, he said, now were attempting to reach a common ground with that end in view.

Calling at the office of Senator Hitchcock the delegation was tolding by the acting Democratic leader and by Senator Smith, Democrat, Georgia of the efforts being made on the Democratic side of the chamber to bring about prompt ratification. The spirit of antagonism which dominated the treaty debates at the last session of congress, Senator Hitchcock said had given way to a spirit "of an honorable compromise" which led to the belief that ratification of the treaty with some reservations would be attained before the end of January.

In their conferences with the early ratification advocates neither Senators Lodge nor Hitchcock indicated any change in their positions they have taken recently. Their callers however said they had been encouraged by assurances from both senators that a real effort to compose the senate dispute over reservations was being made.

Both Senator Lodge and Senator Hitchcock in their statements to the delegation agreed that concessions must be made in the controversy.

Senator Lodge said:

"I think there is a very general desire to avoid delay which would necessarily ensue from remitting the whole question to the election in November. I can only repeat that those who formulated the reservations adopted by a majority of the senate will be very glad indeed to consider any modifications proposed and then decide what we can accept and what cannot be accepted and try and reach a common ground. Efforts are being in that direction on both sides of the chamber today."

Senator Hitchcock said:

"All realize that reservations are inevitable. The president has stated that he would accept interpreting reservations and an effort now is being made to reach an adjustment. Conferences are occuring every day and almost every night not only conferences between Democrats and conferences between Republicans, but conferences attended by both Democrats and Republicans. The difficulties are serious not only because many reservations must be considered and many individual opinions harmonized, but because the objection must always be kept in mind of so framing the reservations that they may meet the acceptance of the president."

SEARCH FOR JEANNE DE KAY CONTINUES

CHICAGO, Jan. 13.—Henry DeKay of Ashburn, Va., uncle of Jeanne Anna DeKay, who disanpeared from Hull House, Dec 30, arrived in Chicago today to assist in the search for the missing woman.

Mr. DeKay expressed confidence that his niece was alive and that she would be found soon. He immediately went into conference with his nephew, John DeKay, who was reported to have disappeared from Chicago yesterday.

RESIGNS AS COLLEGE PRESIDENT.

Liberty, Mo., Jan. 13.—Dr. J. P. Green has retired as president of William Jewell colloge here after 27 years service, it was announced today. Dr. J. D. Evans, vice president takes up the duties of president. Dr. Greene will remain with the institution as president emeritus.

Condensed Telegraphic News

INDIANAPOLIS, Ind., Jan. 13.—Governor Goodrich late today called a special session of the Indiana legislature for Friday for the purpose of ratifying the federal suffrage amendment.

COPENHAGEN, Jan. 13.—The Ukrainian insurgents aided by Galician-Ukranians have entered Odessa, according to a dispatch to the Ukranian press bureau rom Lemburg.

KIEL, Jan. 13.—(By Associated Press.) — The United States army transport, Buford, which has been lying off Kiel for several days with 249 undesirable aliens, deported from the United States, while repairs were being made to her boilers, will leave tonight for an unknown Baltic port.

LONDON, Jan. 13.—The Bolshevik forces in Siberia are moving eastward rapidly along the trans-Siberian railway. The capture of 17 columns of Polish legionairies sixteen guns and 20,000 rifles in the Krasnoyarsk region is reported in a Bolshevik communication issued today. The occupation of Bajai station, about fifty miles east of Krasnovarsk is also reported.

MOBILE, Ala., Jan. 13.—Fourteen million dollars worth of Kentucky whiskey was shipped from here today for Rotterdam aboard the steamship Moschico. The steamship Lake Charles will leave tomorrow for Havana with two thousand barrels of liquor.

PEKING, Thursday, Jan. 13.—(By the Associated Press.)—The Bolshevik are reported to have occupied Kiakhta on the Mongolian frontier 150 miles southeast of Irkutsk. Kiakmta is a relay station of the Idkutsk-Peking telegraph route. The allied missions are reported to have withdrawn from Idkutsk to Slujanava on the south shore of Lake Baikal.

Riga, Sunday, Jan. 11, (By The Associated Press)—The general attack begun Friday by the Letts and Poles with Rzezytsa (Reishitza) as their objective was reported today to be progressing favorably along the entire front with an average advance of about fifteen miles. The Bolsheviki are rapidly bringing up reinforcements. By the capture of Dvinsk considerable rolling stock was taken, which the Letts and Poles are sharing equally with other booty.

BLAME BOARD FOR 1919 SUGAR SHORTAGE

Equalization Body Encouraged Export Business Last Year Before Britain Claimed One-third of Cuban Crop of 1918-1919 Had Been Allotted.

New York, Jan. 13.—The sugar shortage last year was blamed today on the United States Sugar Equalization Board by L. V. B. Cameron in his annual report to the National Association of Brokers in refined sugars of which he is president.

The board, he said, encouraged export business last year before Great Britain claimed one-third of the Cuban crop of 1918-'19 while it had been allotted.

When sugar was about to be exported, Great Britain demanded it's share and then, said Mr. Cameron, came the deluge. At preserving time it was impossible for the refiners to take care of the demands of the British Royal Commission, the shipments to neutral countries and domestic needs.

"The agreement relating to shipments for the account of the British royal commission has never been published," Mr. Cameron continued. "If this agreement had been published by the equalization board, would it not appear that a large portion of the accumulated stocks in the refiners hands in the early part of the year actually belonged to the British Royal Commission? If the country had had a knowledge of these facts would not the wholesale dealers and manufacturers have protected themselves against an impending shortage?

"The board purchased the entire Cuban crop of 1918-'19 and two-thirds were alloted for domestic needs of the United States. Early in the year, American refiners had supplies and the British Royal Commission had its shipments postponed because of lack of tonnage."

As the result of the boards encouragement, Mr. Cameron said, orders were placed with American brokers in May, June and July last year for shipments of sugar to all parts of the world.

Then the Cuban crop failed to prove as large as expected and the result, said Mr. Cameron, was a famine in sugar in the face of an assured quantity of cane sugars in the early part of 1919 plus a large crop of Louisiana and beet sugars.

DECLARES HE IS THRU WITH THE I. W. W.

ROCKFORD, Ill., Jan. 13.—"The I. W. W. has never gotten me into anything but trouble, and I am thru with it."

This was the declaration of Fred Nelson, taken into custody as a Communist suspect, and resulted in his release on his own recognizance by authorities. Nelson immediately obtained a license and was married to Miss Josephine Borg of this city. He was arrested last week on the day set for his wedding.

Nelson served eighteen months in Fort Leavenworth for I. W. W. activities. Before his release he signed a typewritten document renouncing his membership in the I. W. W. and declaring his allegiance to the United States.

ISSUES STRIKE CALL

Salt Lake City, Utah, Jan 13.—Declaring that he was calling out all electrical workers in the employe of the Utah Light and Power Company H. G. Green, international representative of the Electrical Workers Union issued a general strike call late today effective immediately.

The cause of the strike, according to Mr. Green, is that the company refused to meet with him and other union officials when they sought to open negotiations to obtain higher wages for the men.

COLONEL HOUSE RETURNS TO TEXAS

Houston, Texas, Jan. 13.—Col. E. M. House of New York, a member of the American delegation to the peace conference, reached Houston today. Colonel Houes denied he had come to mingle in Texas politics. He declared he came here merely for a brief rest.

COAL COMMISSION BEGINS ACTUAL WORK

Considering of Adjudicating Claims of Bituminous Miners for Advanced Wages Taken Up.

WASHINGAON, Jan. 13.—The coal strike settlement commission began its actual work of considering adjudicating claims of bituminous miners for advanced wages and shorter working hours today by agreement of operators in the central competitive field to participate in the procedure and abide by the decision of the commission.

This removed the last obstacle and the commission immediately called for John L. Lewis, acting president and other representatives of the mine workers to present the case for the men.

Lewis and his associates set forth the full demands as presented before the strike last November for a sixty per cent increase, a thirty hour week, and six other concessions. They told the commission they were not attempting merely to obtain for the miners increases over their war time wages to compensate them for increased cost of living, but to get them enough for permanently raised standards of living.

"The miners' standards of living, social positions and the environment in which they must raise their children have ever been too low," said Lewis, setting a keynote which was followed by William Green, secretary of the miners and Phillip Murray, president of the Pittsburgh district of the union.

The miners notice of consent to participate was given today by Ralph Crews, counsel for the central field committee. He made the reservation, however, that the operators could not legally participate in a coal price fixing agreement unless it were provided that such an agreement would expire with the Lever food and fuel control act.

The operators, Crews added, considered that the commission's award "of itself" would constitute a binding and final wage agreement between the miners and their employers.

President Robinson of the commission pointed out that President Wilson's letter creating the commission empowered only to make an award which would serve as a basis upon which a new wage agreement can be made.

CLOTHING PRICES WILL SOAR HIGHER

CHICAGO, Jan. 13.—Clothing prices next spring will be from 25 to 40 per cent higher than at present, according to H. R. King of Seattle, who addressed the National Retail Clothiers Association today.

Mr. King said the increase would come from a complexity of causes, chief of which was increased pay to workers. Labor has gone up 275 per cent since 1914, he said. Mr. King also cited the increase of Australian wool from $1.15 a pound in 1914 to $4.10.

"The coming year will be a crucial one for clothing merchants," he said. "It will not so much be a question of making money as to keep the business from going to the rocks."

NEW'S FATE IN HANDS OF JURY

LOS ANGELES, Cal., Jan. 13.—The case of Harry New, alleged murderer of his fiance, Freda Lesser, tonight was in the hands of the jury. Thomas L. Woolwins, district attorney closed the arguments for the state this afternoon. Superior Judge Gavin W. Craig occupied twenty minutes in reading his instructions on the legal points involved and the jury then retired to deliberate whether New was insane as the defense contended when he shot and killed Miss Lesser, or whether, as the prosecution contended the killing was a cold blooded murder and as such punished by life imprisonment or death. Mr. Woolwins denounced New as a "cold blooded murderer" and declared there was no foundation for the defense contention of insanity. He characterized the defense of insanity as a "last ditch defense, employed by guilty men who having nothing else to advance in their behalf."

MANY KILLED IN BERLIN RIOTING

Result of Troops Firing on Demonstrators in Protest Against Exploitation Law

MANY FACTORIES FORCED TO CLOSE

BULLETIN

BERLIN, Jan. 13.—(Havas.)—The police finally restored order before the reichstag building. The chamber adjourned until Wednesday.

BULLETIN

BERLIN, Jan. 13.—Ten dead had been brought into the court of the reichstag building when the national assembly adjourned at 5 o'clock this afternoon according to an announcement made by President Fehrenbach.

Basle, Jan. 13.—Many persons were killed or wounded in Berlin today, when troops fired upon or bayonetted demonstrators who tried to rush the reichstag entrances in protest against the exploitation law, says a dispatch from Berlin.

The dispatch adds that, since noon crowds have paraded the streets of Berlin following an appeal from Die Freiheit, the radical Socialist organ for workmen to demonstrate in protest against the law.

Big Processions Reported

Berlin, Jan. 13.—Up to 2:30 this afternoon public order had not been restored in connection with the demonstrations before the reichstag. Big processions passed along the streets converging into Keonigsplatz from all quarters. Numerous factories were obliged to close.

The demonstrators bore flags inscribed, "We demand an unrestricted workers councils bill."

Numerous speeches were delivered from the steps of the reichstag sharply protesting against the bill in its present form. The street car service was partly suspended, the men being on strike.

The public security police restricted themselves to guarding the reichstag with strong forces.

Plundering Occurs.

Berlin, Monday, Jan. 12.—Plundering on a large scale occurred today in the occupied town of Oberhausen. Men stormed the town hall, seized arms, threw the archives into the street and stripped the shops. The disturbances spread to the villages of Marsboh and Bruckhausen, where the plunderers used fire arms against the police. Order has not yet been restored.

Oberhausen is a city of about 100,000 at the junction of the Cologne-Hamburg and Wesel-Emmerich lines. It is situated just to the north of Mulheim. Both Marseboh and Bruckhausen are just east of the Rhine in the same region.

Precautions Taken

London, Jan. 13.—A dispatch to the Exchange Telegraph from Berlin dated Monday says:

"The government is taking precautions against disorders including the barricading of the front of the parliament buildings.

"The new railway strikes westward and the stoppage of telephonic and telegraphic communication are causing much nervousness."

COLORADO GREETS GENERAL PERSHING

DENVER, Colo., Jan. 13.—Colorado honored General John J. Pershing today. From the moment the A. E. F. commander stepped from his train to the hour he returned, General Pershing was acclaimed on every hand. The general ended his day with an address to a cheering audience that filled the municipal auditorium tonight.

Among the first to greet the general was Sergeant H. R. Johnson, of the Eighty-ninth Division, who swam the Meuse while on patrol duty, preventing his company from being annihilated by the Germans. The sergeant had been decorated in France by the general and also bore other decorations from other allied governments.

The general was driven thru the downtown streets which were lined with thousands of citizens. At an afternoon meeting for school children at the auditorium, fifteen thousand youngsters were so full of enthuiasm that the general had great difficulty in speaking to them.

General Pershing spent some time inspecting United States government hospital No. 21, at Aurora. He shook hands with many of the patients and told each one he hoped he would join the American Legion.

To the Red Cross nurses the general gave special thanks for their war work.

HAYS BANQUETED IN SAN FRANCISCO

SAN FRANCISCO, Cal., Jan. 13.—After a day devoted by the men delegates to a series of personal conferences with Will H. Hays, chairman of the Republican national committee and by the women to meetings crystallizing their ideas regarding the party platform, Republicans attending the regional conferrence here gathered tonight at a banquet table to talk over what had been accomplished.

PREPARE TO GIVE SOCIALISTS HEARING

Trial of Five Assemblymen Suspended in New York State Will be Open to the Public.

Albany, N. Y. Jan. 13—The first step in preparation for trial of the five Socialist assemblymen suspended because of their alleged unfitness to hold office was taken today with organization of the judiciary committee which is to hear the evidence against them. The indications tonight however, were that public hearings will not start until next Tuesday.

The judiciary committee organized after a session of the lower house this morning, at which it was decided that the assembly as a whole should not act as a trial court, but that the matter should be placed in the hands of its committee. In this connection the house approved a proposal by Assemblyman Theodore Roosevelt that the committee hearings should be public and that stenographic reports of testimony should be furnished every member of the assembly.

The judiciary committee appointed a sub-committee to draw up rules of procedure to govern the trial of the suspended quintet.

Subsequent to today's committee meeting Chairman Martin said the present charges against the Socialists, "are only in the nature of a statement from the chair." The statement denouncing the principles of the Socialist party, was made by Speaker Thaddeus C. Sweet, and the substance was incorporated in the resolution offered by the majority leader, Simon L. Adler, by which suspension of the five members was effected.

It is now necessary that these charges be prepared in proper form to be served on the unseated assemblymen, according to Mr. Martin who added that the charges probably would be drawn by Attorney General Newton.

This will consume several days and Mr. Martin said it was doubtful if the first hearing could be held before next Tuesday.

New York, Jan. 13.—The five suspended Socialist assemblymen will insist upon an immediate hearing it was announced today after a conference of lawyers and leaders of the party with Morris Hillquist, chief counsel.

"The Socialist party is determined to conduct the fight to a finish, regardless of cost and effort," said a statement issued after the conference. "The party is prepared if necessary, to carry the question to the highest court of the state and if need be to the supreme court of the United States. As we see it the issue involved affects not only the Socialist party as such, but also to a very vital extent the people as a whole and democratic institutions."

CONVENTION WILL RECONVENE TODAY

Expect Adoption of Rules Formulated by Rules and Procedure Committee—Most Delegates on Hand.

Springfield, Ill., January 13.—Adoption of the set of rules formulated by the rules and procedure committee is expected when the Illinois constitutional convention reconvenes at 10 a. m., tomorrow. Most of the convention members returned here today.

Printed copies of the rules committee's report were mailed to all members last week and they have had an opportunity to study them during the last few days. Altho it is expected that there will be some minor objections to the report, members of the committee believe there will be few changes adopted by the convention.

Following adoption of the rules the convention will probably adjourn out of respect to the memory of Michael F. Sullivan of Chicago, delegate to the convention from the second district who died last night. Mr. Sullivan was ill when the convention opened last week and was unable to take the oath of office.

Adjournment may be taken until next Tuesday or Wednesday in order to allow President Charles E. Woodward to name committee members.

Oscar E. Carlstrom, delegate from Aledo, made public a plan upon his return here today by which 137 sections of the present constitution would be adopted at once by the convention; with possibly three or four slight amendments, and be withdrawn from further consideration. Mr. Carlstrom believes that his plan would shorten considerably the work of the convention inasmuch as it would leave only seventy-five sections to be discussed.

NEAR FINAL ACTION ON WATER POWER BILL

WASHINGTON, Jan. 13.—By a vote of forty to sixteen the senate nearing the final action on the water power development bill rejected late today an amendment by Senator Harrison, Democrat, Mississippi, which would have exempted the waters of the St. Lawrence and Niagarat rivers from its provision.

All of the principal amendments to the bill which the house passed last June were acted on during the five hours the measure was before the senate and indications tonight was that a final vote would be taken tomorrow.

Senator Nelson, Republican, Minnesota, in charge of the bill sharply resented arguments today by opponents of the measure to the effect that congress in passing the bill, would be giving away waterpower and said he would not suggest that the people holding big power development plants were trying to defeat it.

JOHNSON ACCEPTS WILSON CHALLENGE

California Senator in Brooklyn Address Declares He Will Take Fight to People

PEOPLE MUST DECIDE ISSUE

NEW YORK, Jan. 13.—Senator Hiram Johnson of California, declared in an address in Brooklyn tonight that he would accept the challenge of President Wilson to take ratification of the peace treaty to the people of the country.

"I don't care whether Republican leaders accept this gage of battle or not," he said, "For one, I accept the issue and so far as I can, upon it I shall go to the people of the United States. A subject which deals so intimately with the treasure and blood of the average American is a subject upon which he has the right to ultimate decision. After reiterating his advocacy of the treaty with reservations, Senator Johnson issued a warning against the suppression of free speech and the right of assemblage. Every infringement of the law should be drastically punished, he said, and no endeavor to overturn the government by force or violence should be tolerated but the difficulty in some quarters appears to be a certain vagueness as to what constituted law and order.

"There is real danger," he asserted, "that in our just anger against those who advocate or justify crimes of violence we may be led by reactionary politicians or newspapers who are wearing the livery of patriotism or by our own zeal into extravagance of suppression which will imperil the very foundation of the Republic, the fundamental American principles of free speech and free assemblage.

"The preacher of violence and the public advocate of the bomb and the torch must be drastically dealt with under the law and by the law's procedure punished for its violation. But the right of any citizen within the law to express his views and beliefs is as sacred as the right of property itself and must be as zealously guarded. The reaction which would prevent legitimate free speech which would make government the mentor of men's honest opinion spells in itself revolution.

"In a free country," the senator continued, "men and women may agitate for such political reforms and changes as they see fit; but they must confine their agitation to lawful means and stay within the constitution. When, however, men within the constitution agitate for Social or Political change, elect representatives to a legislative body, all Americans, altho they may be as far apart as the poles from the political ideas expressed must demand that the constitution be obeyed and respected and the representatives thus elected by the minority acting within the law and the constitution, must be protected. If you can exclude Socialists in New York today, tomorrow you may exclude Republicans in Mississippi and Democrats in Pennsylvania.

"We can only continue as a Republic by free public opinion Censorship and governmenta propaganda first curtail and limit freedom and then destroy it. We have been picking our pockets to poison our minds. In the last few years we have been filching from taxpayers millions of money for governmental propoganda, not to disseminate information, but to hide defeat and deficiencies and to praise what was not always praiseworthy.

"If any group, even a governmental group has the right with public funds to feed misinformation to people, the shackling of freedom is not far distant."

INDUSTRIAL CONFERENCE DIVIDES WORK

Washington, Jan. 13.—Diviing its work between four sub-committees the second national industrial conference appointed by President Wilson to estaglish industrial peace adjourned its sessions today until Thursday. A mass of material brought out by the coference's recent report was distributed between the committees in accordance with its hearing upon the particular sections of the report which each one has to reconsider.

WEATHER INDICATIONS AND TEMPERATURES

Illinois: — Fair Wednesday; Thursday increasing cloudiness probably becoming unsettled in north and central portion; not much change in temperature.

Temperatures.

An editorial has well said that while Mr. Byran may be out of harmony with some of the leaders of his party, that it is just as well to remember the past. In other years the Nebhaskan has not been in accord with others in has party. They have derided movements he has advocated and later been surprised to find the country adopting them.

The story comes from the national capital that a conference on the high cost of living is planned for the coming spring. Since Attorney General Palmer's announcement that prices are already going down and are to continus, what's the need of a conference? Evidently some one doesn't believe that the attorney general's prophesy is very accurate.

The coal operators have agreed to abide by the commission findings except in one matter of detail. They say that the price findings shall not continue beyond the period that the Lever act is in force. To the interested bystander it looks as if that was the most vital thing of all. The Lever act provisions will probably soon come to an end and once more there will be no provision for curtailing the ambition of the operators in the important matter of profits.

It is very notable from a perusal of the newspapers in some of the larger cities to find sentiment growing rapidly for compromise on the peace league program at Washington. This insistence is coming from such papers as the New York Times, the New York World, the Cincinnati Enquirer, the Cleveland Plain Dealer and other papers of like strength—papers that have all along been either staunch supporters of the president or very friendly to him.

FARMERS INTERESTED IN PRESENT DAY PROBLEMS

The recent dinner given by a group of Morgan county farmers was one of the most enthusiastic gatherings of the kind ever held here. The time was when it would have been very difficult to secure such a gathering in the midwinter season. Now it is an entirely different matter. Only a few days' advance notice was given but every man expected was present, representing all the townships of the county. The day has come wherein farmers better recognize their direct interest in the present political and economic problems of the day and want to have their proper part in the solution.

THE CREATION OF LEISURE

The point is that leisure succeeds and does not precede work, that if you plan a day with four hours of work and four hours of poetry-writing you are perfectly justified provided that you find more nourishment in poetry than in beef steak. The hours of labor are determined by an adjustment between what we want and what we are willing to work for, and the hope of leisure can spring only out of a confidence in the ability of collective brains to provide facilities by which a man may do more with less effort. The only way to provide these facilities is by increasing the margin of production over consumption, for it is that margin which provides the capital for increased facilities.—Samuel Crowther in the World's Work for January.

INDIANA WANTS LINCOLN STATUE

Upon the completion of the remodeling of the old court house in the city of Washington the statue of Lincoln, which has stood in front of the building for over fifty years, was removed and placed in storage, the reason being that it interfered with the architectural effect of the new building. Representative Luhring of Indiana has sought to save the statue from oblivion by introducing a bill for its removal to his state and its erection in the grounds of the Nancy Hanks Lincoln Burial Ground Association. That organization guards the graves of the great President's mother, and Mr. Luhring deems it higly appropriate to provide a site for the statue in such surroundings.

RETURNS TO CITY GOVERNMENT OF A CENTURY AGO

It is interesting to note that Philadelphia is just returning to a system of city government which was in use there 100 years ago. A one chamber city council of 21 members will serve with Mayor J. H. Moore as chief executive. The mayor has just completed 14 years of service in congress. The fact that one of the principal cities returns to a form of government popular many years ago indicates that there has not been much advance in the management of municipal affairs. This reminds one that not so very much is heard these days about the city manager plan. Comparatively few cities adopted the one man system of government and in those cities where the plan has been tried not so very many remarkable showings have been made. All of which leads to the often quoted truism that the success of municipal government depends very little upon the system employed but very largely upon the men constituting that government system.

THE TEACHERS AND CHANGING CONDITIONS.

Pres. Felmley of the State Normal college declares that unless normal schools are restored to prosperous conditions that there will be an exhaustion of the supply of the school teachers within the next four years. On his authority it is stated that the teachers now seeking positions are in many instances below the 1916 standard.

This question of teachers and their salaries continues to be one of absorbing interest. The national educational association in a recent bulletin presented a chart to show that the salaries of high school, intermediate and elementary teachers are all considerably below those of machinists, lathers, bricklayers, blacksmiths, compositors, plumbers, hod carriers, bakers, and other artisans.

An instance of the changing attitude of teachers was shown too, just the other day at Lebanon, when all of the instructors in the school went on a strike because of failure of the board of education to increase their salaries.

DOWN FROM THE CLOUDS.

Senator Reed of Missouri has been radical in his opposition to the league of nations program and has by his course alienated some of his constituents in Missouri. Nevertheless there was quite a demonstration in his honor in St. Louis the other day at the dinner planned by both Republicans and Democrats. The fact is that increasing opposition to the ratification of the peace league plans without amendment has made the Missouri senator's position much more tenable than it seemed to be a few months ago. In his most recent address Senator Reed found general approval of his statement with reference to league plans, that it is "time to go down out of the clouds and be practical."

The Missouri senator is also a timely optimist, for while he bemoans the general unrest he believes along with other good Americans, that there is not much danger to the country from radicals because the people as a whole are about 1,000 to one against them.

Rippling Rhymes
By Walt Mason

Gone for Keeps.

Most things come back that go away; our ship comes sailing to its shore; the blooming flowers come back in May, the bird to its accustomed spray, but money burned comes back no more. Oh, often, when old age is here, the man of sorrow walks the floor, and thinks of joys that cost him dear, of spend-thrift courses year by year, but money burned comes back no more. To think of chances large and fine he wasted, makes the dotard sore; had he put down his coin in brine he might possess his tree and vine, but money burned comes back no more. Old thoughts come back to break his heart, old memories of days of yore, when he forsook the shop or mart to joyride in a mortgaged cart, but money burned comes back no more. And there were gay enameled maids who helped him blow his scanty store; their forms come back, from out the shades, and march along in dim parades, but money burned comes back no more. There's nothing sadder 'neath the sky than seeing one whose head is hoar bewailing roubles he made fly, recalling chances with a sigh; and money burned comes back no more. So let us from the weekly wage salt down nine plunks, perchance a score; then we'll enjoy our green old age, if we still loiter on the stage; but money burned comes back no more.

Young Men's OVERCOATS in newest designs are shown by FRANK BYRNS Hat Store.

FUNERAL NOTICE.

The funeral of E. R. Angelo will be held from the residence west of Woodson at 11 o'clock Thursday morning. Burial will be in Diamond Grove cemetery.

SMALL BOYS DISTURB CENTENARY SERVICE

Juvenile Offenders Taken in Custody by Police—Turned Over to Parents to Await Court Action.

Five small boys ranging in age from 13 to 15 years, occupied cells in the police station most of Tuesday as the result of disturbing church services at Centenary Monday night.

The boys have been engaged in snowballing pedestrians who passed down East State street for several days.

Monday evening they got in behind the church while services were in progress and one of them threw a snowball thru a window. The matter was reported to the police and the boys named above were arrested.

Chief Kiloran held the boys at the station for several hours when they were turned over to their parents. Chief Kiloran has placed the matter in the hands of Mrs. Cohick who will bring the boys before Judge Samuell in the Juvenile court as soon as a hearing can be arranged.

Christian Science Lecure will be delivered at I. O. O. F. Temple, E. State St., on Friday evening, Jan. 16th at 8 p. m., by John Randall Dunn, C. S., of St. Louis, Mo. Everybody invited. Lecture free.

WILL DO SURVEYING WORK IN MISSOURI

C. H. Harney and George A. Wiseman left yesterday for Memfro, Mo. They were summoned there to do some surveying work in connection with the drainage district improvement.

If ever you think you didn't get everything you should —if there was anything wrong with the service or the article bought, just let us know and we will make it good.

"Broken Blossoms"

Over Night Will Become the Art Sensation of Jacksonville

Suppose, today, for the first time in the world, a rose bloomed in Jacksonville

——No one had ever seen a rose before today. Can you imagine how the beauties of this new wonder would be flashed around the world?
——Imagine if for the first time an airplane flew over Jacksonville—no one had ever heard of the possibility before, and you saw it for the first time today.

Something just as wonderful will happen in Jacksonville—do you know about it?

——Europe says America never will become a great nation until she develops beauty, art. Our stage plays, so they say, go not farther than America; our books are read only by Americans; only one American art is supreme around the world.
——This art, this new budding rose that critics—literary, dramatic and of the arts—have so proclaimed, is "Broken Blossoms," in the presentation of which are welded together painting, photography, the dramatic stage and music.

Charles Hanson Towne
Editor of McClure's Magazine

Dear Mr. Griffith:

"I have never cared for motion pictures. So many of them are cheap and tawdry, and the stories seem to have so little relation to life as it is.

"But the other day I went to see 'BROKEN BLOSSOMS' at the Geo. M. Cohan Theatre and I stand converted. If stories can be told in this wonderful way upon the screen, then a new art has indeed arrived—an art as important as that of Poetry or music.

"I could find no single flaw in he presentaton. As for what you have done to make this picture the living thing that it is, I have no words to express my admiration.

"It is the greatest step forward that we have known. You have immortalized yourself. I feel that a new era has dawned.

"The voices that cry to you from the mouth of beauty, symphonic voices from the orchestra pit, the Russian Balalaika strings sighing Oriental love from the wings, the weird, strange twang of music of Chinese temples by Chinese musicians on the stage—all yield forth that greatest happiness, the happiness of tears."

ADDED ATTRACTION
2 Reel Sunshine Comedy
"ROAMING BATH TUB"
You will split your side laughing

Brown's Lady Orchestra will play a special prepared music score fitted to the picture

Time of shows 1, 3, 5, 7, and 9
Admission 15 and 30c. War tax included

CHIROPRACTIC
(KI-RO-PRAK-TIC)
CHIROPRACTOR
(KI-RO-PRAK-TOR)

Bear these two words in mind. Become acquainted with them. In them lies the hope of relief and restoration to the ill and suffering.

It's not many years since Chiropractic was discovered. Yet today thousands who were sick and ailing are restored to Health and are happy witnesses to the merits of this the modern drugless way to health. The handful of pioneers has grown until there are now nearly 10,000 Chiropractors successfully practicing in the face of the bitterest criticism and strongest opposition that ever hindered a new and worthy idea. Chiropractic lives and advances because it is right; because the results it obtains are the best arguments in its favor.

Chiropractic demonstrates that there is a cause for all disease and invariably it is found in the spine. By scientific adjustments, without the use of drugs or knife, the Chiropractor corrects these defects and Nature effects the cure. Through

CHIROPRACTIC
THE BETTER WAY TO HEALTH

the percentage of restorations is so large that the necessity for the employment of all other health methods becomes insignificant. It is equally as effective for men, women and children. It is the HOPE for all suffering Humanity. Information gladly given.

RAYMOND HALEY GAINS 15 POUNDS

Mrs. Vittitoe Feels it Her Duty to Tell How Fine Tanlac is for Children.

"My little nephew had suffered since he was three years old but since he has taken Tanlac he is happy and cheerful again," was the statement made by Mrs. Laura Vittitoe in telling a Tanlac representative of the recovery of Raymond Haley, her fourteen year old nephew. Mrs. Vittitoe lives at 3316 East Fourteenth St., Kansas City, Mo., and at the death of Raymond's father she adopted him and since that time has been his guardian.

"Raymond had a spell of typhoid fever when he was three years old," continued Mrs. Vittitoe, "and ever since that time he has been puny and fretful and was never bright and playful like other boys. He had little or no appetite and what he managed to eat wouldn't digest but would sour and cause so much gas to form that he would be in great distress. He had severe spells of rheumatism and at times he would be confined to his bed for months. Awful headaches would come on him and he would have terrible pains in his stomach and he looked pale and thin. He lost a great deal of time from school and at one time nearly the whole year and he was hardly ever able to play with other boys. We tried every medicine we knew of but none of them did him any good and finally he was operated on but even that didn't help him.

"At last we read of Tanlac and what it was doing for other people and we decided to give it a trial. He had not taken half a bottle before he commenced to improve and his appetite began to come back and by the time he had finished his second bottle he could eat anything he wanted and digest it perfectly. The rheumatism left him entirely and he hasn't had a headache since he started taking Tanlac. His strength and energy came back and he gained fifteen pounds in weight and his cheeks are rosy. This was six months ago that he took Tanlac and since then he hasn't been troubled in any way, hasn't missed a single day from school and he is as bright and cheerful as any boy you ever saw. I am certainly grateful to Tanlac for the good it has done him and I feel that it is my duty to tell mothers that Tanlac is fine for children."

Tanlac is sold in Jacksonville by Coover & Shreve; in Meredosia by Mr. R. B. Field; in Murrayville by M. E. Gilbert; in Waverly by Wyle Drug Co.; in Woodstock by John Onken & Bros., and in Alexander by Frank J. Kaiser.—Adv.

BACK-ACHE

Limber Up With Penetrating Hamlin's Wizard Oil

A harmless and effective preparation to relieve the pains of Rheumatism, Sciatica, Lame Back and Lumbago is Hamlin's Wizard Oil. It penetrates quickly drives out soreness, and limbers up stiff aching joints and muscles.

You have no idea how useful it will be found in cases of every day ailment or mishap, when there is need of an immediate healing, antiseptic application, as in cases of sprains, bruises, cuts burns, bites and stings.

Get it from druggists for 30 cents. If not satisfied return the bottle and get your money back.

Ever constipated or have sick headache? Just try Wizard Liver Whips, pleasant little pink pills, 30 cents. Guaranteed.—Adv.

"SNAKE OIL" STOPS PAIN

Over Ten Million Bottles Sold

Letters from thousands of people all over America prove that Miller's Antiseptic Oil (known as Snake Oil), is probably the greatest known remedy for rheumatism, lumbago, stiff joints, sprains, la-grippe, colds, pneumonia, influenza, etc. They say that "Snake Oil penetrates so quickly that it is sure to stop pain." Mr. Adam Nabors, Provencal, La., writes: "Enclosed find $2 for some more 'Snake Oil.' We all like it fine. Please send at once." Mr. H. M. Atwell, Center, Ky., writes: "I have tried two bottles and have received great relief. Please ship a $1 bottle at once as we are needing it badly." Get a 30c, 60c or $1.00 bottle today from any good drug store with the understanding that your money will be returned to you if you are not satisfied. Demand the genuine Miller's Antiseptic Oil (known as Snake Oil). For sale by Armstrong & Armstrong.—Adv.

STOMACH O. K.

"Digestion, Acidity, Sourness ... ended with ... Diapepsin"

Millions of people know that it is needless to be bothered with indigestion, dyspepsia or a disordered stomach. A few tablets of Pape's Diapepsin neutralize acidity and give relief at once.

When your meals don't fit and you feel uncomfortable, when you belch gases, acids or raise sour, undigested food. When you feel lumps of indigestion pain, heartburn or headache, from acidity, just eat a tablet of Pape's Diapepsin and the stomach distress is gone.

The cost is so little. The benefits so great. You, too, will be a Diapepsin enthusiast afterwards. —Adv.

PNEUMONIA CLAIMS WAVERLY RESIDENT

Oscar Sperry Dies Tuesday Afternoon—Entire Family Suffering From LaGrippe—Many Cases Reported in Waverly and Vicinity.

Waverly, Jan. 13.—Oscar Sperry, aged 42 years, died at his home here this afternoon of pneumonia after an illness of about a week.

A pathetic feature of the case is the fact that his wife and seven children are all down with la-grippe. His wife's condition is regarded as critical and she is not expected to live thru the night.

The children have only recently recovered from an epidemic of chickenpox and the father had been up day and night for the past week waiting on them. He had been sick himself, but was unable to get any assistance. Neighbors who went into help this afternoon found him in a critical condition and death resulted soon afterward.

Deceased had been a resident of Waverly practically all his life. He was united in marriage to Miss Daisy Reed, daughter of Mr. and Mrs. Robert Reed of Waverly.

Many Cases of LaGrippe.

Waverly physicians report many cases of lagrippe in Waverly and vicinity. In several instances entire families are ill of the malady.

It is estimated that there are nearly fifty cases in Waverly and vicinity. The disease while it has been diagnosed as lagrippe, resembles the Spanish influenza which swept the country last winter.

BROKEN BLOSSOMS TO OPEN AT SCOTT'S

Has Been Declared One of the Most Artistic Productions Ever Screened.

THE CAST.

The Girl.....Lillian Gish
"Battling" Burrows.....
.....Donald Crisp
The Chinaman.....
.....Richard Barthelmess

"Broken Blossoms", opening at Scott's today is the most tragic, the most beautiful thing that has ever reached the screen. It is a drama of wistfulness, of ungracious satire, of love and of furious reality. It is reversing the old order which showed the yellow man in a heathen state of revulsion and the white man filled in contrast with brotherly love.

"Broken Blossoms" is tremendous in its theme and through it all runs a thread of beauty which binds the yellow man into the fabric of the plot.

He comes from a land filled with a mystic race who worship their gods in a mystic way. But whatever the fruits of their religion its principle is goodness. And the yellow man comes to the home of his white brother with youth's enthusiasm to spread that goodness. The author selected the Limehouse Lights district of London in which to have him loose his illusions.

And Lillian Gish. It has been that now you like her and now you don't. This time, however, there can be no question about her. She is a poor little cockney, the ward of a prize fighter whom she calls "Daddy." It is upon this helpless waif that daddy vents the rage of his black moments—using the rawhide with skill born of long practice. One of these beatings brings her to the Chinaman's door step, where she falls, spent with pain.

The picture has a rather novel color scheme—Chinese blue. Awfully effective. It is characterized by the artistic settings, splendid photography and keen attention to detail that always mark a Griffith production.

GRIGGS CASE HEARD IN COUNTY COURT

Verdict Reached at Early Hour This Morning—Will Be Opened at 9 o'Clock.

The trial of Dr. P. H. Griggs, charged with practicing without a license, continued in the county court Tuesday before Judge Samuell. The case was given to the jury late in the afternoon and a sealed verdict was returned at 12:25 o'clock this morning. The jury was in charge of Deputy Sheriff Ben Andrews and acting on instruction of Judge Samuell he released the jury after the sealed verdict had been found. The jurors will return to court this morning at 9 o'clock when the verdict will be read.

The prosecution was conducted by State's Attorney Robinson and Dr. Griggs had William N. Hairgrove as his attorney.

It is the claim of the defendant that his work as a practitioner is not in volation of state law. The jurors are Charles Summers, Charles DeSilva, Charles Godfrey, J. W. Black, John Koyne, Ben Keplinger, W. J. Moore, Crosby Lewis, Douglas Turley, J. J. Clancy, F. A. Seymour and H. L. Chaney.

ALEXANDER

Alexander, Jan. 13. — Miss Margaret Jane Harrison of Brown's Business College at Jacksonville spent Sunday with her grandmother, Mrs. Ruble of Alexander.

Miss May Edmunds of the Brown's Business College spent Sunday with her mother, Mrs. E. J. Edmunds.

John Dunlap and John Colwell were business callers in Jacksonville Tuesday.

Arthur Smith of Alexander received his new Ford car today.

E. J. Erickson of Alexander left Monday for Florida to spend the remaining winter months.

Miss Louise Maylock of Springfield is visiting Mrs. Luby of Alexander.

Social Events

Leap Year Dance at K. of C. Hall.

A Leap Year Dance was given last night at the Knights of Columbus hall. About sixty couples were present.

Labby's Jazz Band furnished music for the occasion.

Westminister Missionary Society Holds Meeting.

The Westminister Missionary Society held its regular meeting this afternoon at 3:00 o'clock at the home of Mrs. S. O. Barr. The program consisted of two papers on Americanization which were read by Mrs. Jessie Holmes and Mrs. Clark Stevenson. After the program, refreshments were served by the hostess and a social hour was enjoyed. There was a large attendance with several visitors present.

Strawn's Crossing Country Club Meets.

The regular meeting of the Strawn's Crossing club was held yesterday afternoon at the home of Mrs. Eba Strawn of Sandusky street. There was a good attendance and several visitors were present. The program consisted of the following papers. The first paper was written by Mrs. Harry Martin on the "Story of the Liberty Bell," and it was read by Mrs. Wesley Robertson. The second paper was read by Mrs. H. E. Foster on the nation's most beloved building, "Independence Hall." After the program refreshments were served by the hostess and a social hour was enjoyed by all. The next meeting will be held at the home of Mrs. Edgar Boston of South Church street on January 27.

Ella Ewing Mission Circle Held Meeting.

The Ella Ewing Mission Circle of Central Christian church held its regular monthly meeting Tuesday evening with Miss Elie Pyatt at the home of Mr. and Mrs. R. L. Pyatt, 204 North Church street. There was a large attendance of members and several visitors also were present.

Miss Vera King had charge of the devotionals. The circle made a visit to a Chinese Mission in Nanking. Mrs. Lucille Crawford told of Ginling College. Miss Katie Clarkson read a story on Jesus' songs in a Heathen Village. Miss Augusta Carlson sang in a pleasing manner. Following the program a short business session was held.

A social hour and refreshments were served. The next meeting will be held Tuesday, February 10 with Miss Rowena Sinclair with Miss Florence Rice as leader.

Trinity Guild Entertained Tuesday.

The Woman's Guild of Trinity Episcopal church entertained the women of the parish at luncheon yesterday at the residence of Mrs. J. G. Ames. The committee in charge were Mrs. J. G. Ames, Mrs. J. P. Doan, Mrs. Lloyd Brown, Mrs. William T. Capps, Mrs. R. C. Allen, Mrs. Charles Fawcett and Mrs. Andrew Russel had prepared a delicious lunch which was much enjoyed by the large number present. Following the luncheon the president, Mrs. George Matthews made an address, reviewing the years work of the Guild and suggesting her plans for the future. She introduced the rector, Rev. J. F. Langton, who spoke of "Woman's Work in the Church." This was followed by an election of officers.

Mrs. George Matthews—President.
Mrs. Andrew Russel — Vice President.
Mrs. B. E. Hatfield—Secretary.
Mrs. R. C. Allen—Treasurer.

Mrs. Matthews, Mrs. Russell, Mrs. Doan, Mrs. Ames and others spoke, outlining the year's activities. Much enthusiasm was shown and the Guild gives promise of renewed and efficient service.

State Street Missionary Society Met With Mrs. Cherry.

The regular January meeting of State Street Presbyterian Missionary society was held at the home of Mrs. John Cherry, 202 South Church street. The president, Mrs. Carriel, presiding. Mrs. Vickery had charge of the devotionals. She also paid a lovely tribute to Mrs. John Chambers. The leader, Mrs. Cleary was not able to preside. Miss Cunningham served in her place, her topic, 'Mormonism of Today,' was ably handled by her and her assistants, Mrs. Dunlap and Mrs. Goebel.

At the close of the meeting the hostess invited the ladies to remain for a social hour. During the afternoon refreshments were served.

This being time for election of officers the following ladies were elected:

President—Miss Morey.
First Vice President — Mrs. Marbach.
Second Vice President—Mrs. Lucas.
Secretary—Mrs. Cherry.
Treasurer—Miss Cunningham.
Secretary of Literature—Mrs. Brown.
Corresponding Secretary—Miss Goebel.

Queen Esther Circle in Monthly Meeting.

The Queen Esther Girls of Centenary church had their regular monthly meeting at the church last evening. Before the formal program of the evening was entered upon a picnic supper was had and it was so enjoyable the members voted to make it a feature of all meetings till warm weather.

The principal work of the meeting last evening was the election of officers which resulted as follows:

President — Miss Eva Anna Goudy.
Vice President — Miss Clara Smith.
Secretary—Miss Emma Haerle.
Mite Box Secretary—Miss Garneda Phelps.
Program committee—Misses Clara Smith, Florence Bentley and Marian Blair.
Editor—Miss Helen Ferreira.

The next meeting will be held the first Tuesday in February. The principal feature of that meeting will be the initiation of members. The initiation committee consists of Misses Grace Rapp, Dorothy Dodsworth and Ruth Patterson.

SPECIAL ATTENTION TO BE GIVEN TO MARKETING

State Agricultural Association Meeting in Peoria — Corn Growers Committee Recommends Marketing Department and $10,000 to Carry on Work During 1920.

Peoria, Ill., Jan. 13.—Special to the Journal.—A grain growers marketing department and $100,000 to carry on the work in 1920 is the recommendation of the corn growers' committee of the Illinois Agricultural Association holding its annual meeting in Peoria. The livestock committee urged a budget of $100,000 to carry on eight different projects in relation to marketing.

Marketing will be the big work for the association for the coming year. It is planned to carry the farmers' products as close to the manufacturer and consumer as possible, eliminating the speculator and greatly reducing the heavy expense of marketing food products.

President Harvey J. Sconce recommended three active departments to take up the problems of grain, livestock and produce marketing. The general effect of its work must be to establish steadier market prices for producers, to eliminate unnecessary handling costs by the middlemen and to hold the price to consumers to as low a level as consistent with production costs.

Mr. Sconce declared that the recent boycott on eggs and other products was based on a false idea and while they do a little temporary good to consumers, they do serious injury to the public by discouraging future production.

One thousand farmer delegates from farm bureaus are in attendance.

The report of the organization committee showed a total of 49,000 farmer members, as the result of thirty-three county membership campaign carried on since last April.

The treasurer's report shows an expenditure of about $90,000. Cash on hand, $10,000. Notes receivable $556,545.

The rock phosphate committee reported that commercial fertilizer concerns are absorbing a large proportion of the ground rock from Tennessee mines, which will mean there will be no supply for Illinois farmers. It will mean a cut in production. In view of this fact the committee is attempting to contract for 50,000 tons for the use of Illinois farmers next week. The limestone committee will contract for 500 tons.

A REGULAR TRADING PLACE

Many people have no regular trading place for drugs. They get the idea that the handiest place, or any place, will do. But drug stores differ, as they always have, while the necessity of securing reliable goods and service are still the same. We endeavor to conduct the kind of drug stores that will win the old kind of confidence and friendly relations. We are equipped to give you superior service and we know that every day throughout the present year we can please you when drugs or other drug store goods are needed.

FUNERAL OF WALTER MACK

The remains of Walter Mack who died in Petersburg Monday arrived in the city Tuesday and were taken to the undertaking parlors of W. W. Gillham. Services will be held from the parlors at 2:30 o'clock this afternoon in charge of the Rev. Myron L. Pontius, pastor of Central Christian church. Burial will be in Diamond Grove cemetery.

GAVE DEMONSTRATIONS IN DAIRY INDUSTRY

Representative of State School of Agriculture and County Agent Kendall Gave Interesting Demonstrations in County Tuesday.

W. M. Clark, representative of the state school of agriculture in the animal husbandry department, together with County Agent G. B. Kendall, gave two demonstrations yesterday related to the dairying industry. They were at the McPhail farm just northwest of Jacksonville at 10 o'clock Tuesday morning and in the afternoon were in Chapin. The demonstration had special relationship as to the value of feeds.

Mr. Clark recommended as a balanced ration for dairy cows a grain feed combining 400 pounds of ground corn, without the cob, 200 pounds of ground oats and 100 pounds of cotton seed or oil meal. This grain ration, together with 30 or 40 pounds of silage, and all the alfalfa that the cow will eat, constitutes in Mr. Clark's opinion, the best balanced ration that can be fed to dairy cattle.

This method of feeding has been approved at the state university after an extensive series of experiments. The ration suggested of course applies particularly in the non-pasture season. When cows are on good pasture and the season is favorable for grass, there is not the need for all the food value included in the ration suggested by Mr. Clark.

At Chapin interest in the program was increased by a cow judging demonstration by Mr. Clark. He used one of the cows in the herd of A. L. French. There was a large group of men in attendance and they found the whole demonstration valuable in many ways.

Congregational Church Tuesday, Jan. 20th.

FARMERS' STATE BANK SELECTS OFFICERS

Officers and Directors are Chosen for Coming Year—Same Men Are Again Elected.

At a meeting of the stockholders of the Farmers' State Bank and Trust Company held Tuesday afternoon, officers and directors were selected for the coming year. The same were chosen and are:

President—A. L. French.
Vice President—A. C. Rice.
Cashier—Frank J. Heinl.
Assistant Cashier—C. F. Leach
Directors—Albert Crum, E. W. Brown, George R. Swain, W. S. Rice and Charles S. Black. The officers also are members of the board of directors.

TUESDAY IS PAY DAY ON CHICAGO & ALTON

Yesterday was pay day on the Chicago & Alton and it was a tremendous one.

The settlement of the miners' strike the fore part of December came in time to boom business in the last half of the month and the checks given out yesterday call for the last half of the preceding month. As a result the total distributed among the operating employees was twice as much as the sum distributed on the preceding pay day. The shops controlled by the Alton, including the C. P. & St. L. shops in this city, also operated on full time and with the maximum force. The estimate of the amount distributed by the Alton yesterday was $225,000.

Dance Thursday night, Woodmen hall. New, old and square dances. Large's orchestra.

MRS. J. L CHAMBERS FUNERAL TODAY

The remains of Mrs. John L. Chambers will arrive this afternoon over the Burlington at 2:08 o'clock and will be taken direct to Diamond Grove cemetery. Brief services will be held at the grave in charge of the Rev. W. H. Marbach of State Street Presbyterian church.

A large assortment of Pull Over Sweaters are shown by FRANK BYRNS Hat Store.

E. T. Welch of Oil City, Pa., is here for a brief visit with Mrs. Welch and their son Huntley, who are spending the winter in Jacksonville. Mr. Welch has long been prominently identified with the oil industry in Pennsylvania.

MR. BRADISH VISITOR HERE

Horace Bradish of Texas is in Jacksonville for a visit with his mother, Mrs. Ella Bradish, at the Dunlap. Mr. Bradish came to Jacksonville from Lincoln, Nebr., and on leaving will go to New Mexico. The business in which he is engaged takes him thru a wide territory.

CIRCUIT COURT CASES

In the Circuit Court Byron Sheppard and Sylvester Sheppard have confessed judgment in favor of the First National Bank of Waverly in the sum of $3,316.95. J. R. Sheppard and Sylvester Sheppard, confessed judgment in favor of the same complainant in the sum of $7,904.60.

MEMORIAL SERVICE AT CONGREGATIONAL CHURCH

Tonight at 7:30 o'clock will occur the annual memorial service of the Congregational church. Mrs. John Bowen will pay a special tribute to the life of Mrs. Thomas Mason and Mrs. W. T. Wilson will speak of the life of Mrs. Emma King Dwight. The life of Mrs. T. E. Laurie will be referred to by Mrs. D. B. Hutchison and Miss Fannie Wood will speak of Mrs. Gordon. An interesting feature of the service will be the reading of several letters from absent members.

RED CROSS MEETING HELD AT LIBRARY

Executive Committee of County Organization Hears Reports of Various Officers—Total Membership Now 4,963.

The regular monthly meeting of the executive committee of the Morgan County Red Cross was held last evening at the Public Library building.

Chairman T. M. Tomlinson was present and presided. Mr. Tomlinson has just returned from Red Cross headquarters in Chicago and had much of interest to tell of his visit there.

J. J. Kelly gave his report as auditor. This was accepted and placed on file.

Earl Spink, representing the membership committee of the campaign which just closed made a report of the activities of that committee.

Mrs. M. E. Gilbert, cashier, reported that the total amount received from memberships, Red Cross magazine, and contributions, was $4,884.50.

Home Service Section.

The regular monthly report of the Home Service section of the local chapter was read by the secretary, Mrs. Cohick. This report showed that sixty families had been dealt with. Miss Nina Dawson, who has recently completed a three months course in public health nursing at the Chicago School of Civics, is serving in the Home Service section. Mrs. Cohick reported the section to be busy every day looking after the various cases which are brought to the attention of this department.

Miss Lucy A. Mounts, chairman of the nursing service gave a very interesting report of the conference of Red Cross Public Health Nurses with the representatives of the Red Cross Enrollment Committee Nurses of Illinois, Iowa, Nebraska, Michigan, and Wisconsin, which was held in Chicago December 15, 16, and 17.

The report showed that as part of the peace plan program the local chapter has taken over the child welfare work in the county which was started by the community council and has put in an application to Central Divisional Headquarters for a trained and experienced nurse to do the child welfare work of the county. Chairman Tomlinson was told while in Chicago that the best available nurse which could be found would be sent to Morgan county.

Mrs. Louise Capps Dunlap, as chairman of nursing activities, gave a brief report.

W. Barr Brown gave his report as treasurer.

GALITIA MIDDIES ADJUSTABLE WOOL COLLARS $2.95 VALUE ONLY $2.00 AT HERMAN'S CLEANING UP SALE.

PROBATE COURT

In the estate of J. Otis Icenogel, the petition for sale of personal property was allowed.

In the estate of Sylvanus Scott, the petition for the authority to assign government bonds was allowed.

In the guardianship of Thomas Walsh, the ward having reached his majority the final report of Patrick Dowling as guardian was approved and the guardianship declared closed.

Petition for citation was issued in the estate of Josephine Lathom on the showing that letters of administration had been issued in June, 1918, and no report subsequently made.

In the estate of David Wilson, the final report of V. D. Wilson as administrator was approved.

In the estate of Amy E. Seymour, the petition to omit appraisement was allowed.

INJURED BY FALL

Vincent Riley, manager of the Norbury sanatorium, is confined to his home as the result of a fall. Mr. Riley slipped on an icy pavement and such injuries resulted that he will be confined to his home for a number of days.

GIVEN INITIATORY WORK

At the regular meeting of Jacksonville Lodge, No. 152, K. of P. last night, the following were given the rank of Page and Esquire: John M. Hullman, Louis P. Hauck, and F. P. Boone. The initiatory work was followed by a smoker.

AYERS NATIONAL BANK ELECTION

Directors and Officers are Chosen —Same Ones Are Selected to Direct Institution's Affairs.

Officers and directors for the Ayers National Bank for the ensuing year were elected Tuesday.

The stockholders first selected the board of directors and the directors then elected the officers. The same directors and officers were again selected to direct the affairs of the institution. They are:

President—M. F. Dunlap.
Vice President—Andrew Russel.
Vice President — Charles B. Graff.
Vice President—H. J. Rodgers.
Cashier—O. F. Buffe.
Assistant Cashier—H. C. Clement.

NAVY SERGE ALL WOOL MIDDIES $7.95 VALUES ONLY $5.95 AT HERMAN'S CLEANING UP SALE.

J. P.'S TO MAKE FIGHT FOR JOBS

Justices of the Peace and Constables of Illinois, thru their state organiaztion, are preparing to descend upon the constitutional convention to wage battle against an attempt which it is rumored will be made, to abolish the offices of justice and constable. A report has been circulated over the state that the lawmakers plan to substitute a system of municipal courts in the larger cities and the justice and constables, seeing their doom if such action is taken, are prepared to fight for their jobs.

That the state association expects to lobby at Springfield is evidenced by a meeting of justices and constables at Geneva last week when such action was recommended.

Advocates of the change declare that the justice of the peace and constable has outlived his usefulness; that the present system is obsolete, incompetent and confuing and that all courts should require that the holder of the office be a lawyer.

The justices thru their state organization claim that "the justice court is a purely common sense tribunal" where a layman can preside as well as a lawyer because the court is not one of record and decisions are based wholly upon evidence and not upon the form it takes in being presented.

Dance Thursday night, Woodmen hall. New, old and square dances. Large's orchestra.

ALLEGED THIEF IS ARRESTED AT WAVERLY

Sid Adwell of Waverly was arrested there Tuesday by Deputy Sheriff Wright and was brought to the county jail. He will be taken to Macoupin county today, where he must answer to the charge of having stolen a set of harness. It was soon after Sheriff Weatherford entered office that he had notice that Adwell was wanted in Macoupin county and as the man's home is in Waverly, officials have been on the lookout for his return.

DURING OUR JANUARY CLEANING UP SALE ALL TRIMMED HATS WILL BE SOLD REGARDLESS OF COST OR VALUE AT HERMAN'S.

Funerals

Watt.

The funeral of Mrs. Anna Watt was held from the residence on Jones avenue yesterday afternoon at 3 o'clock in charge of the Rev. L. R. Cronkhite. Music was furnished by Miss Cora Graham, Mrs. Mae Hitt, T. H. Rapp and W. W. Gillham. The flowers were cared for by Miss Jessie Harding, Mrs. Emma Coultas, Mrs. Walter Smith and Mrs. Jack Harding. Burial was in Diamond Grove cemetery, the bearers being, Walter Smith, George Barnhart, D. M. Melton, Ralph Crabtree, Richard Megginson and Frank Pechloel.

Tuke.

Funeral services for David O. Tuke were held from the residence, northwest of the city at 11 o'clock Tuesday morning in charge of the Rev. Ray Ragan, assisted by the Rev. G. T. Wetzel.

Music was furnished by Joseph Wilson, John Lazenby, Fred Wood and W. W. Gillham. The flowers were cared for by Mrs. George Morris and Mrs. Chris Howard.

Burial was in Ebenezer cemetery, the bearers being, Edward Joy, Samuel Challiner, Chris Howard, Emery Carter, Allinson Thomason and Douglas Hunt.

Matrimonial

Higbee-Hofman.

L. B. Hoffman has just returned from Hutchinson, Kan., where he attended the wedding of his daughter, Miss Minnie, to Mr. Van B. Higbee of that city. The wedding occurred Jan. 10, and was performed by the Presbyterian minister, Rev. Mr. Wilson, of that city. Mr. Higbee is engaged in the insurance and investment business. They will reside in Hutchinson.

Oxley-McAlister.

Cecil Oxley of Franklin and Miss Dorothy McAlister of Woodson were united in marriage at 3 o'clock Tuesday afternoon by Dr. Walter E. Spoonts, pastor of Northminster Presbyterian church at his residence. The ceremony was witnessed by J. J. McAlister, grandfather of the bride, and Mr. and Mrs. Thomas Oxley, parents of the groom.

The groom is a farmer by occupation and is highly regarded in the community in which he lives. His bride is the granddaughter of J. J. McAlister, of Woodson. She is a young woman whose charm of manner has won for her a wide circle of friends.

The couple will make their home for the present with the groom's parents near Franklin.

BIRTH RECORD

Mr. and Mrs. Martin Kenney of 427 Arnett street are the happy parents of a daughter, born at Our Savior's Hospital, Monday, Jan. 12.

With the Sick

Miss Mamie Ryan of the Woolworth 5 and 10 cent store is sick at her home on South West street.

Miss Lucille McHatton is laid up at her home on Sharp street.

Donald Joy is able to be about again after an illness of a few weeks.

Mr. and Mrs. W. T Spires are much afflicted. Mr. Spires is slowly recovering from an attack of pneumonia and Mrs. Spires is well nigh used up physically and is in bed.

Mrs. Jerry Flynn who was operated on a while back is getting along all right.

Mrs. L. C. Henry is suffering from a tedious illness which has kept her down for several weeks and she is yet far from well.

Ellis Henderson was able to greet his friends at the store of Myers Brothers yesterday after an illness of several weeks.

Vincent Riley is in bed suffering from an accident.

Clarence Rice of the mound vicinity is suffering from an accident that lays him up.

Dr. F. A. Norris who is ill at the home of Dr. Hairgrove is reported as improving.

Mrs. A. E. Richardson of the Point neighborhood submitted to an operation for the removal of her tonsils at Passavant hospital Tuesday morning.

PARK BOARD MAKES REPORT OF ACTIVITIES

Much Work Done by Present Board — Treasurer's Report Shows Various Expenditures.

The park board met last evening with all members present and transacted ordinary routine business.

Several matters were reported. Work on the new entrance made necessary on the east side is progressing favorably.

A large amount of cinders has been secured. These will be needed for the new entrance and an efort for the new entrance and an both sides of the south bridge is being made. There has been disagreeable mudholes in those localities and the plan is to do away with them.

The annual report of the secretary-treasurer was presented.

Treasurer's report of park board for 1919:

Financial summary:	
Received from city taxes	$8,552.90
Received from special fund	1,282.91
Total	$9,835.81
Disbursements	9,721.80
Balance	$ 114.01
Condition of special fund:	
Balance Jan. 1, 1919	$ 205.16
Sale of flowers	.50
Mullenix & Hamilton — concessions	527.60
Dances	399.65
Chautauqua	150.00
Total	$1,282.91
Disbursements	$ 877.41
Balance Jan. 1, 1919	$ 405.50
Tax fund:	
Receipts	$8,552.90
Warrants	8,844.39
Overdraft	291.49
Net balance	114.01
Disbursements:	
Wiring posts and plasing same in central park by Sieber	$ 259.15
Freight and dray	33.90
Concrete posts	489.83
Bathing beach	923.51
Feed for horses, swans and monkeys	284.77
Shrubs and flowers	354.67
Int. on overdraft	122.24
Grader and salt	17.11
Pine of Cohen	30.00
Insurance	220.98
Lumber	214.49
Hardware & supplies	639.39
Playground, first war.d	260.75
Light & motor pump	792.39
Screens for monkey house	110.10
Grass seed	59.50
Telephone	19.50
Plumbing	109.35
Labor	4,503.97
Police	95.50
Use of extra horses	4.40
Curtains, pavilion rest room	2.00
Postage	2.00
Floor broom	3.50
Playground apparatus, Duncan park	62.75
Tuning piano	5.00
Sweeping compound	1.00
Toilet paper	5.95
Moving piano	3.00
Park seat	1.50
Advertising barn for sale	5.00
Blacksmithing for year.	71.10
Gates for large pavilion.	13.00
Disinfectant	1.50
Total	$9,721.80

Notes.

The grader is for use in grading roads and general work of that kind.

The pipe of Cohen was for swings in Duncan park.

The item for lighting was for two years.

The plumbing was for work done in central park connecting pipes with the flower bed and work done on the watering system at Nichols park.

The smallness of the police bill is due to the fact that extra for that was only for night duty, the regular force looking after the grounds during the day.

The gates for the large pavilion were for use when dances were going on.

The item of $150 from the chautauqua association was for care of the grounds. The chautauqua association agreed to leave the grounds in as good condition as before the entertainment and that sum was amicably agreed upon as pay for care and cleaning up after the affair was over.

While all members of the park board have conscientiously tried to do their duty simple justice requires a large degree of credit for the good financial showing to the faithful, capable and economical management of the superintendent, Joseph Hopper.

Confronted With Debt.

The outgoing park board feels it but just to call attention to a few facts. When the members took office they were confronted with a debt of about $3,500. In justice to the preceding board it is fair to say that debt was due to the construction of the fine bridge which connects the two parts of the park and was made hurriedly and imperatively necessary by the chautauqua and that park board had but very little more than $4,000 tax levy.

Some of the heavy expenses of the outgoing board have been concrete walks about $3,200; (Duncan and Central parks); toilet facilities for the chautauqua, about $700; improvements in Central park and lighting system about $1,200; bathing beach, $925; monkey house almost $1,200 and some other improvements.

On the other hand the sum realized from taxes has been well toward $9,000 while previous boards had about half that from taxes.

Customers buying LADIES FURS of FRANK BYRNS Hat Store at present prices are assured of real bargains. Next year's prices will be much higher.

Mrs. M. E. Watt and son Roy Albert of south of the city were visitors in the city yesterlay.

LECTURES TO HIGH SCHOOL STUDENTS

Psychologist and Diagnostican of Bloomington Tells Why Some People Fail While Others Succeed.

Yesterday afternoon at 2:30 o'clock Dr. Thomas Z. Davis, psychologist and diagnostican of Bloomington, lectured before the student body of the high school in the David Prince assembly room on "Why Some People Fail in School, Professional, and Business Life While Others Succeed". The following are extracts from Dr. Davis' lecture.

"There is something today that is more powerful than all the diamonds and wealth and more powerful than all the armies of the world put together. Some men and women have discovered this power and have used it. This power is purpose. Thousands of people are failing in the things that they undertake because they depend on someone else to help them and they have no purpose in life. There is only one road to which you may travel to success and that is the road of thought and purpose. There are three groups of failures, those who haven't the mental and physical ability to succeed, those who lack self confidence and those who permit themselves to be influenced by the people they come in contact with, thereby changing their opinions and purposes. Most men and boys permit themselves to be influenced by others and that is the reason today that we find that 98 per cent of the boys who fail in school are boys who have been influenced to smoke. It has also been found that 91 per cent of the mistakes made on the railroads were made by men who smoke. All the men who have not followed the crowd were called fools. But as we look over the crowd and study the lives of men, we find that these men who have been called fools have been the men who have risen to the top rung of the ladder. Such was the case of Columbus, David, Lincoln, Fulton, Ford and a host of others who have achieved. Every boy and girl today is indebted to the world to the extent that they must contribute something to make the world a better place for the people of the present and their posterity to live in. If you are not in sympathy with the world you are a slacker.

"If there is one thing that I would impress upon your minds today more emphatically than any thing else it is that character is the foundation on which our purposes are built. The women of today have in their power the chance to raise humanity or the chance to lower its standards. But that chance is not worth an iota more to the women of today than it is to the men and we must all strive to live the cleanest lives possible, have a purpose in view to serve our fellow men in the best intelligent way possible."

John Randall Dunn of St. Louis, Mo., will lecture on Christian Science at I. O. O. F. Temple, E. State St., Friday evening, Jan. 16th, at 8 p. m. All are invited. Lecture free.

HUNTSMAN HAD VERY NARROW ESCAPE

Shotgun Exploded in Hands of Matthew Johnson—Killed Rabbit and Suffered no Injury Himself.

The parts of a shattered shot gun on view in the Journal office window show what a narrow escape Matthew Johnson had from death or serious injury. Mr. Johnson, whose home is on West Railroad street, was out hunting on the farm of Mrs. May Strawn just west of the city. He was carrying a double barreled shot gun of the old type and was after rabbits. He fired a shot which killed a rabbit and at the same time exploded the gun.

The barrels were blown clear off the stock, one trigger was broken and the metal strip between the barrels was bent nearly double. There are other evidences of the force of the explosion and the strangest thing of all was that Mr. Johnson was not injured in any way altho of course he was greatly frightened. He picked up the pieces of the shattered gun and they certainly make an interesting exhibit.

Don't fail to hear the "Dixie Four" Comedy and Harmony Singers at the Rialto, Thursday, Friday and Saturday, afternoon and night.

OFF FOR THE SUNNY SOUTH

Mr. and Mrs. A. A. Curry expected to start today for an extended tour of the south. San Antonio, Texas, will be their first objective point while in the vicinity of Brownsville Mr. Curry has land interests. They expect to visit various places in the south before returning which will be some time about March first.

GOOD ROADS MEN WILL MEET THURSDAY

Morgan County Organization Making Plans for Five Year Period--To Aid All Trails.

Everything indicates that there will be an unusual amount of interest shown at the annual meeting of the Morgan county Good Roads association which will be held tomorrow evening at the court house. Secretary Potter will be on hand at 7 o'clock in order to take care of membership cards. This is the annual meeting of the association and it is expected that in the months near at hand the organiation will branch out into broader fields of usefulness.

Having assumed obligations covering a period of five years, in connection with the work of the Mississippi Valley Highway association, it is the plan of Vincent Riley, the president and other officers of the Morgan county organization to ask memberships on the same basis. The Morgan County Good Roads association it should be understood, is above all things else a county wide organization purposing to benefit all sections of the county in an equal way.

One Organization.

It is proposed that members be secured at the fee of $2 a year for a period of five years. The sum thus provided will be ample to meet the county's obligations in connection with the Mississippi Valley Highway, the Ocean to Ocean trail and other national highways which may traverse the county. It is the expectation to handle affairs relating to all these trails thru this one central county organization instead of having the different parts of the county acting independently in connection with different trails.

In the past those active in the management of the different trails have solicited funds for maintenance from the property owners adjacent to the routes or from the business men in the cities and towns thru which the routes run. Many inequalities have resulted with heavier assessments in some instances than should have been true. Thru the county organization plan as now advocated all inequalties will be done away with and the good of the whole county considered. The cost of the special work in connection with these trails and in boosting the general good roads movement will in this way be so distributed that no one will be burdened.

Years of Promise.

It is believed that the next five years will see wonderful progress made in road building in this state and it is with the view to securing everything possible for this county in connection with the good roads movement that the officers of the Morgan County association are laying their present plans and asking for the general co-operation of all members.

Frank J. Heinl, L. R. Craig, C. H. Weber and C. N. Priest have all thru a period of years been active in securing marked trails for the county and the good roads association recognizes the work of these men. An officer of the association said yesterday that these men and some others had spent a great deal of time in helping along the good roads movement and that the county commissioners had in various ways shown their interest and enthusiasm. It is confidently expected that there will be a large gathering of members of the association and others interested in good roads movement at the court house tomorrow night.

E. J. McDOWD.

A REMARKABLE WINTER

George Hall, the worthy volunteer weather observer at Alexander remarked yesterday to a Journal reporter that the present winter had been remarkable in many ways. But once was there a sudden change in temperature and that was when the mercury stood at 59 above in the evening and five above in the morning. The slight variations in temperature have been remarkable. He also mentioned the fact of the ice crop on still water. Tho the mercury has not gone down very low there has been steady freezing and nearly all private ice houses are full. Mr. Hall said in Minnesota they had ice twenty four inches thick to store away.

"The Dixie Four" at the Rialto, Thursday, Friday and Saturday, in a repertoire of Songs. Don't miss hearing them.

TO INVESTIGATE LOCAL SEWER SITUATION

Mayor Crabtree recently asked the state department to send some one to Jacksonville to make an investigation with reference to the sewer situation. A telegram received yesterday indicated that P. Joblon, an engineer for the health department, will come to Jacksonville today. It is the expectation that Mr. Joblon will confer with the special sewer committee appointed several weeks ago by the city council and that he will make a general survey of the situation and later formulate a report.

One hundred head livestock, consisting of Cotswold sheep, Duroc Jersey hogs, good grade cattle and horses. Also one thousand bushels corn and 200 boshels oats, farm machinery and implements. Location, 6½ miles west of Jacksonville.

JOHN S. KILLAM.

ILLINOIS STATE POULTRY BREEDERS' ASSOCIATION

This Association held its 26th annual show at Galesburg. The best bid was made by the Knox County Poultry Association, the show was cooped in that splendid new Armory at Galesburg.

The decorations were most perfect. Flags of all nations tastefully hung and arranged greeted the eyes upon entering. The fine uniform wire cooping extended fully two hundred feet, with nine such double rows, having spacious aisles for the thousands of Galesburg city and country folks. To walk thru and admire the fifteen hundred or more of standard fowls that made up this the largest and best exhibit ever gotten together thru the efforts of its state officers and members.

This being the twenty sixth annual exhibit, the usual program was carried out that the town, city or county association which made the best bid for entertainment gets it. The chamber of commerce did itself proud in giving and doing everything that a wide awake and up to date set of business men will and can do when a live enterprise is projected that benefits its city and community. The free banquet given at the Union Hotel in its spacious dining hall was attended by many notables of local and outside poultry breeders and fan fanciers who made up the one hundred and thirty six who sat down to enjoy the feast of eats, talks and stories that such occasions usually bring forth.

The mayor of Galesburg, president, and secretary of the Chamber of Commerce, were present. The mayor making a speech of welcome, followed by the president and secretary. The toast master, Mr. D. E. Hale of Chicago, one of the six judges employed then called upon C. P. Scott of Peoria, president of the Illinois State Poultry Association, who briefly cited the object and aims of this organization.

A. D. Smith of Quincy, secretary of the association, then told of the many good and a few stumbling blocks the organization had gone thru to attain its present standing. As a factor of much value to the eighty local associations of Illinois and the thousands who in this state who recognize its efforts, as of highest educational value as well as a commercial factor to the people of Illinois.

The next speaker was D. T. Heimlich of Jacksonville, the first chairman when the state poultry association was organized at the Springfield State Fair grounds twenty six years ago last September. He being the oldest member and twice president and on the board of directors almost continuously during these years, gave a brief history of its aims, its needs of a greater membership that Illinois might rank first in all, the departments of this industry, as it does in many others and places Illinois where it rightfully belongs at the very top of these fine central states that produces the greater part of all poultry, eggs and by-products by over fifteen million dollars than all the other states in the union.

Other features of educational value carried on this year were daily lectures. D. E. Hale of Chicago on Wednesday talked to a large audience on feeding, care and management of poultry. D. T. Heimlich gave three demonstrations and talks at the high school, and on Friday afternoon to a large gathering of visitors at the armory in one of the larger rooms that are used for such purposes. Three boys and girls clubs had an exhibit of 108 head upon which he also made awards. Knox county has a very progressive kind of people. These turned out daily. Many good sales were made by exhibitors. The quality was fine in all classes shown. The rabbit and pet stock exhibit was not large, but the specimens shown were of first quality.

INSURANCE COMPANY IN ANNUAL MEETING

Stockholders of Farmers' Mutual Meet and Elect Officers at Court House Yesterday.

The Jacksonville Farmers' Mutual County Fire Insurance Company held their 43rd annual meeting in the court house yesterday with a good attendance of policy holders.

President C. A. Rowe made a strong talk on the advantage of co-operation among the farmers and said the idea was growing and would continue to do so if farmers were awake to their rights and privileges.

There are now 407 policy holders with total risks of $946,898, a gain of $74,786 during the year 1919.

The losses for the past year have been five in number and light in all amounting to $925.95.

An assessment of 15 cents was made to cover losses and provide a working surplus.

Two new directors were chosen. George Coultas declined re-election and A. C. Rice thought the office of secretary was enough for him so the county chose Isa Whitlock of Murrayville and W. F. Roegge of Meredosia.

The officers now are:
President—Chas. A. Rowe.
V. President—John W. Leach.
Treasurer—C. S. Black.
Secretary—A. C. Rice.
The directors are:
George H. Hall, A. A. Dyer, Chas. S. Black, Chas. A. Rowe, John W. Leach, Amos Swain, J. A. Liter, Isa Whitlock and W. F. Roegge.

REMOVAL NOTICE

We Do Not Operate a
"Second Hand Store."
We do BUY, REFINISH, RE-UPHOLSTER AND SELL USED FURNITURE

We are following a growing custom in the larger towns where each furniture store either has a used department or carries a separate stock of used goods. Such a store is of a different character from the place where you could buy a used suit of clothes, a horse collar or a pistol. Our busiuess is furniture and nothing else. If you have furniture that you wish to sell we buy it and pay whatever it is worth. If you wish furniture refinished, re-upholstered, by some one who has been in the business twenty-five years, we offer our service.

Remember that we have more than a dozen items of house furnishings as usually published in our weekly list. The sam ereal worth while furniture at a price that will sell them.

HOW TO GET RID OF YOUR COLD

The quick way is to use Dr. King's New Discovery

DON'T put off until tonight what you can do today. Step into your druggist's and buy a bottle of Dr. King's New Discovery. Start taking it at once. By the time you reach home you'll be on the way to recovery.

This standard family friend has been breaking colds, coughs, grippe attacks, and croup for more than fifty years. It's used wherever sure-fire relief is appreciated. Children and grownups alike can use it—there is no disagreeable after-effect. Your druggist has it. 60c. and $1.20 bottles. Give it a trial.

Bowels Begging for Help

Torpid liver pleading for assistance? How careless to neglect these things when Dr. King's New Life Pills so promptly, mildly, yet effectively come to their relief!

Leaving the system uncleaned, clogged bowels unmoved, results in health-destructive after-effects. Let stimulating, tonic-in-action Dr. King's New Life Pills bring you the happiness of regular, normal bowel and liver functioning. Keep feeling fit, doing the work of a man or woman who finds relish in it. All druggists—25c.

NERVOUS PROSTRATION

Mrs. J. Christman Proved That Lydia E. Pinkham's Vegetable Compound is a Remedy for this Trouble.

Binghamton, N. Y.—"I was in a very nervous condition for over a year, my mind was gloomy, could see no light on anything, could not work and could not have anyone to see me. Doctor's medicine did not help me and Lydia E. Pinkham's Vegetable Compound was recommended. I took it and am now well. I recommend it to all afflicted with nervous prostration."—Mrs. J. CHRISTMAN, 193 Oak Street, Binghamton, New York.

The success of Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, is unparalleled. It may be used with perfect confidence by women who suffer from nervous prostration, displacements, inflammation, ulceration, irregularities, periodic pains, backache, bearing-down feeling, flatulency, indigestion and dizziness. Lydia E. Pinkham's Vegetable Compound is the standard remedy for female ills.

If there are any complications about which you need advice write in confidence to Lydia E. Pinkham Medicine Co., Lynn, Mass.

"SYRUP OF FIGS" IS LAXATIVE FOR CHILD

Look at Tongue! Remove Poisons from Stomach, Liver and Bowels.

Accept "California" Syrup of Figs only—look for the name California on the package, then you are sure your child is having the best and most harmless laxative or physic for the little stomach, liver and bowels. Children love its delicious fruity taste. Full directions for child's dose on each bottle. Give it without fear.

Mother! You must say "California" if you want genuine. Refuse any other kind with contempt. Ask your druggist to show you the name "California" on the package, then return it. Don't buy it. Adv.

DAN COOK.

WANTED—Girls over 16 for wrapping butter. Apply Superintendent Produce Department, Swift & Company.

New Auto Famine Is Seen In 1920

There is an Acute Shortage that will continue for at least twelve months.

The demand for automobiles will be greater this winter than ever before in the history of the industry and the spring of 1920 will again find the market swept bare of cars forcing owners to wait weeks and sometimes even months for delivery.

The most optimistic forecasts place the production in 1920 at only 2,000,000 cars. Figuring conservatively, there are 6,500,000 cars in use today in the United States. As the average life of a car is five years, the scrappage each year totals more than 1,000,000 cars. So production will be less than double the actual scrappage.

Take the case of the Essex for instance. In 1919 there were 20,000 Essex built and sold, but even this number proved insufficient to supply the demand. In 1920 the production will be 40,000 cars, the factory having spent more than $2,250,000 during the past year in enlarging its facilities. But still the number we have been able to obtain is not sufficient to satisfy the need of our customers and will be far short of our requirements when the rush to obtain new cars begins in the early spring.

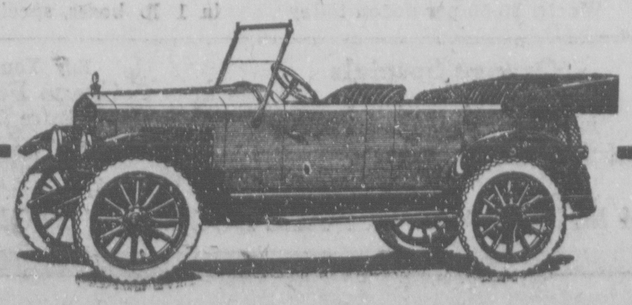

Of course, the Essex is an exceptional car. By combining all the beauty, luxury and performance of the most costly cars with a moderate first price and the utmost economy of operation, it has filled a transportation need. So the demand for it has been unusually heavy but there will be the same shortage of all good cars next summer as there was last year.

Therefore the only way to avoid disappointment in obtaining a car for delivery in the spring is to order at once.

We can supply you NOW in size and style desired, but can promise nothing for the future except to do our best for you. Better call and get a demonstration.

Here's one of the new ones Varsity Fifty Five in a Double Breasted. We'll show you any number of smart ones.

When you say, 'What's the price'

When you come in here and pick out a suit and say to the salesman "How much?"

He'll say "$40" perhaps, or maybe "$50" or "$60"—depends on the suit you choose.

You may say "Why, I can beat that price $5 or $10."

Probably you can; but that isn't the point, you can't get as much clothes value for your money anywhere else; that $5 or $10 is in the suit; it's the $5 or $10 that makes good quality possible; and that makes the suit outwear the cheaper one two to one.

IS YOUR BLOOD HUNGRY FOR IRON?

Who Should Take Nuxated Iron

Modern Methods of Cooking and Living Have Made An Alarming Increase in Iron Deficiency in Blood of American Men and Women

NUXATED IRON Helps Make Red Blood

The Kind That Puts Roses Into the Cheeks of Women and Force Strength and Courage Into Veins of Men.

"Is your blood starving for lack of iron? Iron is red blood food. If you were to go without eating until you became weak, thin and emaciated, you could not do a more serious harm to yourself than when you let your blood literally go hungry for want of iron—iron that gives it strength and power to change food into living tissue," says Dr. James Francis Sullivan, formerly physician of Bellevue Hospital (Outdoor Dept.), New York, and the Westchester County Hospital.

"Modern methods of cooking and the rapid pace at which people of this country live has made such an alarming increase in iron deficiency in the blood of American men and women that I have often marveled at the large number of people who lack iron in the blood—and who never suspect the cause of their weak, nervous, run-down state. But in my opinion, you can't make strong, sturdy men and women by feeding them on metallic iron. The old forms of metallic iron must go through a digestive process to transform them into organic iron—Nuxated Iron—before they are to be taken up and assimilated by the human system. Notwithstanding all that has been said and written on this subject by well-known physicians, thousands of people still insist in dosing themselves with metallic iron simply, I suppose, because it costs a few cents less. I strongly advise readers in all cases to get a physician's prescription for organic iron—Nuxated Iron—or if you don't want to go to this trouble, then purchase only Nuxated Iron in its original packages and see that this particular name (Nuxated Iron) appears on the packages. If you have taken preparations such as Nux and Iron and other similar iron products and failed to get results, remember that such products are an entirely different thing from Nuxated Iron."

If you are not strong or well you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of ordinary Nuxated Iron three times per day after meals for two weeks. Then test your strength again and see how much you have gained. Numbers of nervous, run-down people who were ailing all the while have increased their strength and endurance in two weeks' time while taking iron in the proper form.

Armstrong and Armstrong.
Gilbert's Pharmacy

AS THE HOURS PASS THE COMING OF BABY DRAWS NEARER— ARE YOU PREPARED?

IT is natural to think of the expectant mother's influence upon the unborn babe. Her food, her habits, her hygiene, and even the condition of her mind, all have a part in determining the well-being or ill-being of her infant before birth.

No one can be in doubt that the months which precede birth are of vast importance for the future of the child. It is therefore necessary that the expectant mother prepare herself. Mother's Friend gives comfort to expectant mothers by softening and making elastic the muscles during the anxious months before maternity.

THREE GENERATIONS

of mothers record the virtue of Mother's Friend for not only allaying distress in advance, but for assisting nature in assuring a speedy recovery for the mother. It renders the abdominal muscles pliant as they readily yield to nature's demand for expansion. As a result, the nerves should not be drawn upon with that peculiar wrenching strain.

NEWS NOTES FROM WHITE HALL VICINITY

Sebastian Gropp Injured by Fall —To Vote on Community High School Bond Issue — Other White Hall Notes.

White Hall, Jan. 12.—Claude Vestal, employed by John Schier on the latter's farm north of Hillview, produced some neighborhood excitement last Friday night by what was thought to be an attempted suicide. While handling a revolver he had a spell of heart trouble, with which he is afflicted and when the spell came on the revolver was discharged. Vestal fell to the floor in an unconscious condition, and a gash in the forehead looked like a bullet hole. Later examination proved that the gash was caused by the fall, and no evidence could be found anywhere as to where the bullet went. Vestal has a wife who summoned assistance.

Sebastian Gropp, one of our substantial old citizens, was knocked down by a sled on which a boy was gliding down Main street Saturday afternoon. Now it is believed that Mr. Gropp will not suffer permanent injury, as no bones was broken, and he exhonorates the boy from blame, saying that he misplaced his walking cane too close to the sled. Mr. Gropp is 82 years of age and one of the surviving active members of the local G. A. R. post.

The final legal step in bringing about a community high school will be the election next Saturday to vote on bonds in the amount of $150,000, and there is apparently no doubt that the proposition will carry handsomely, and that all plans will be ready for the starting of building operations in the spring. The necessity for additional school facilities has been pressin for several years, and the community high school affords the most acceptable relief from the bad situation, afording the most advanced facilities for the greater number of people at the least expense. The new district extends from Apple Creek on the south and the Gregory ranch line to the Roodhouse township line, thence west along the Roodhouse township line, the west line of the new district by taking in a portion of Patterson and Walkerville townships in making a straight line on the west between the Roodhouse township line and Apple Creek. The following schools are embraced in the new community district: Gregory, White Hall, Shiloh, Benear, Prospect, Maple Grove, High Street, Oak Grove, Golden Era, East Brushy and Swamp College. The new district does not include the Village of Drake in Patterson township.

An announcement from Kansas City is to the effect that Henry Polk Lowenstein, Henry Polk Lowenstein, Jr., and Walter K. Stewart have formed a law partnewship with offices in the New York Life building in that city.

Culver Post, G. A. R., installed the recently elected officers last Saturday at a meeting in the city hall. W. C. Baker was the installing officer. With prospects for the erection of a community building on Whiteside park this year, the post will anticipate quarters that will not require them to be bumped from pillar to post in finding a place to meet.

Mrs. Rachel Fitzjarrel has gone to Fremont, Nebraska, to visit her daughter, Mrs. Ed Bell.

You are invited to a lecture on Christian Science to be delivered at I. O. O. F. Temple, E. State St., by John Randall Dunn, C. S., of St. Louis, Mo., on Friday evening, Jan. 16th, at 8 p. m.

A HANDSOME COMPLIMENT.

A talented young composer is Fred Myers, instructor at the state school for the blinb, a graduate of that institution and of the Illinois Conservatory of Music. The young gentleman has done considerable composing and to the eminent M. Kellerman, who is to sing at the Congregational church next week the young man submitted three of his songs. Mr. Kellerman examined them and praised them highly and said he would sing all of them at his appearance in this city.

He said the work of Young Myers was much like that of the great composer, Richard Strauss.

REWARD

Reward of $20 for recovery of Goodrich tire, 33x4, car left near Conservatory of Music on night of January 5th. Property of G. A. Leach.

ILLINOIS MOTHERS Prepare for Trouble

When a girl becomes a woman, when a woman becomes a mother, and when a woman passes through the changes of middle life are the three periods of life when health and strength are most needed to withstand the pain and distress often caused by severe organic disturbances.

Dr. Pierce's Favorite Prescription is a non-alcoholic remedy that any sick woman can safely take because it is made from roots and herbs containing no harmful properties of the most pronounced character.

It is not a secret remedy because all its ingredients are printed on wrapper.

Quincy, Ill.:—"I was suffering intensely with ulceration and pains incidental to displacement, and was also weakened run-down and nervous that I could not even do my own housework when I commenced to take Dr. Pierce's Favorite Prescription, Golden Medical Discovery and Pleasant Pellets. For one whole summer I took a complete course of treatment with these medicines (exactly following instructions on wrapper around the bottles) and from a miserable and afflicted woman I was transformed into a new being, full of health and strength with no sign of inward trouble whatever. "I feel most grateful for what Dr. Pierce's medicines have done for me and take pleasure in telling others about it." —Mrs. Anna Littleton, 416 Vine St.

East St. Louis, Ill.:—"Dr. Pierce's Golden Medical Discovery has been used by my family for three generations. My grandmother used it. Mother used it for a run-down condition and cough and it strengthened her and built her up. I have used it myself after having had La Grippe and found it a true builder." —Mrs. Pearl [illegible], Pennsylvania.

SOCIAL EVENTS AT LITERBERRY

Mr. and Mrs. John Young Entertain For Daughter—Party at Home of B. A. Johnson.

Literberry, Jan. 12.—Mr. and Mrs. John Young entertained a number of their relatives Sunday in honor of their daughter's 14th birthday. A bountiful dinner was served at noon, the table being adorned with a large birthday cake with fourteen candles, the gift of Grandma Yancy. The day was pleasantly spent socially and music on the piano. Those present were: Mrs. Doc Liter and Willard Young, Jacksonville, Homer Lewis and family, W. H. Young and family of Ashland, Miss Hester Yancy of Philadelphia, Charles Young, W. W. Young and family, E. G. Young and wife and John Young and family.

A number of friends went to the home of B. A. Johnson Friday evening and spent an enjoyable evening. Music on the Victrola was furnished. Games and contests were the feature of the evening. Paul Johnson won the prize in the contest. During the evening refreshments were served and at a late hour departed for their homes. Those present were: John Young, wife and and daughter, William Hull, wife and daughter, Lora Petefish, Georgia Liter, Lula Maul, Margaret Chapman, Orville and Dewey Petefish and the Johnson family and Georga Chapman, Mrs. Ralph Hudson of Virginia, the guest of honor.

Miss Margaret Chapman entertained a number of friends at a party Saturday evening. No particulars learned.

CLOSING OUT SALE

Wed., Jan. 14, 10:30

One hundred head livestock, consisting of Cotswold sheep, Duroc Jersey hogs, good grade cattle and horses. Also one thousand bushels corn and 200 bushels oats, farm machinery and implements. Location, 6½ miles west of Jacksonville.

JOHN S. KILLAM.

114 EGGS A DAY NOW INSTEAD OF 25 A DAY

That Means About $105 Extra Income Per Month for Mrs. Ropp.

"I have 200 hens, including late pullets not old enough to lay, and had been getting 25 to 30 eggs a day. Then I tried Don Sung in the feed, and am now getting 107 to 114 eggs a day."—Mrs. Essie B. Ropp, R. R. 2, Littles, Ind.

Mrs. Ropp got this increase of 7 dozen a day in the middle of winter. At 50 cents a dozen, 30 days a month, this makes $105 extra income a month. The Don Sung for her 200 hens cost her about $2.50 per month. You can see how well it paid her, and we'll guarantee it will pay you.

Give your hens Don Sung and watch results for one month. If you don't find that it pays for itself and pays you a good profit besides, tell us and your money will be promptly refunded.

Don Sung (Chinese for egg-laying) works directly on the egg-laying organs, and is also a splendid tonic. It is easily given in the feed, improves the hen's health, makes her stronger and more active in any weather, and starts her laying.

Try Don Sung for 30 days and if it doesn't get you the eggs, no matter how cold or wet the weather, your money will be refunded by return mail. Get Don Sung from your druggist or poultry remedy dealer or 50 cents for a package by mail, paid. Burrell-Dunbar Co. [illegible]

Keep Your Papers in Folders that Expand!

—The neatness of your files depends largely upon the kind of folders that you use. "Y. and E." folders are scored ⅜ of an inch from the fold. As they fill with papers they expand and take the shape of a bound book cover.

No sagging or bulging in the files—folders stand upright with contents protected.

W. B. ROGERS

ANNOUNCEMENT
For Congress

We are authorized to announce GUY L. SHAW of Beardstown as Republican candidate for member of Congress in the Lower House for the 20th Congresional District of Illinois.

STOCK MARKET DULL AND HEAVY

NEW YORK, Jan. 13.—The stock market was dull and decidedly heavy today but made rapid and general improvement on an extensive covering movement in the final hour. Rallies of 2 to almost 10 points from minimum quotations were led by oils and steels in the fact of a fifteen per cent rate for call money.

Bear pressure was responsible for the more extreme reactions of the morning when such voltaile issues as General Motors and Crucible Steel were singled out at reactions of six to eight points.

While the market was in process of moderate liquidation it was rumored that the local banks might have to call loans in order to meet prospective government demands and repair last week's deficit in clearing house reserves.

Railroad shares retained all of their recent sluggishness.

Of the more representative industrial stocks the sustained strength of the United States Steel was the most noteworthy featufe and was again attributed to the recent excellent statement of unfilled tonnage. Sales amounted to 900,000 shares.

Bonds were heavy especially speculative rails and the liberty group. Total sales (par value) were $18,250,000.

CHICAGO PROVISION MARKET

Chicago, Jan. 13.—Corn—No. 2. mixed $1.52@$1.53; No. 2 yellow $1.53.

GUY L. SHAW.

Candidate for Republican Nomination for Congress.

Elsewhere in this issue appears the authorized announcement of Guy L. Shaw of Beardstown as Republican candidate for member of congress in the lower house, for the 20th district of Illinois.

This congressional district is quite largely agricultural, and the farmers of this district feel they want one who is interested in their problems to represent them in congress; and because of Mr. Shaw's wide acquaintance with the conditions which confront the agricultural interests of the district, he has been urged by the farmers to become a candidate.

Mr. Shaw was born and reared on a farm in this district. His training and education was general, but largely along agricultural lines. He has been engaged in farming all of his life, except during the time spent attending the college of agriculture of the University of Illinois. For the past ten or twelve years Mr. Shaw has been engaged in farming and the management of farms on a large scale, which has given him a very wide experience in all of the phases of agriculture.

Mr. Shaw stand for constructive work along business and agricultural lines. While he feels that it would be an honor to represent this district in the lower house of congress, he is not seeking the office for mere glory or gain, but to do actual service for this district.

Few men are interested in the problems of farming and the general welfare of the people of this district as is Mr. Shaw. He is well qualified for the office which he seeks, and if elected, will devote his best efforts to making laws that will best meet the needs of the common people of this district.

ENLARGED RECEIPTS WEAKENS CORN

CHICAGO, Jan. 13.—Much weakness developed in the corn market today as a result of enlarged receipts and also of renewed attention to National Director Barnes "warning against price hazards."

The close was nervous, 1⅞c to 2⅜s net lower, with May $1.32½ to $1.32⅝ and July $1.30⅝ to $1.30⅞. Oats lost 1⅝ @ 1¾ to 2c. In provisions, the outcome varied from 30c decline to 25c advance.

Announcement that arrivals of corn in Chicago today totalled 300 car loads swung the balance of power to the bear side in the corn market shortly after the opening. Subsequently sharp setback in quotations on cash wheat became the dominating factor in the corn market. Discouraged holders unloaded and bears grew more and more aggressive.

Oats like corn were weakened by liquidation. Business with the seaboard was restricted owing to car scarcity.

Provisions for the most part reflected the weakness of grain despite higher quotations on hogs and notwithstanding huge shipments of packing house products in the last two days.

CHICAGO LIVE STOCK

Chicago, Jan. 13.—Hogs—Receipts 58,000. Estimated tomorrow 30,000. Combination Stock and Grain Farm

205 acres located four miles from a good town on main road, extra well improved, good fencing, the whole farm being fenced with woven wire. All necessary buildings in good condition. The land is level to gently rolling, about ten acres of rough land well watered with springs and wells. The farm also has a gas well and the house and buildings are lighted and heated with gas. Price for quick sale $187.50 per acre. Possession March 1st if sold by February 1st.

J. A. WEEKS
Arenzville, Ill.

MID-WINTER PRICE THAW

Just as old Sol can make the mighty snow man a rivulet of water, so does the Merchandising Sun reduce our prices to vague reminders of their former selves. You have never before seen such splendid stocks offered the people of this community, nor have you ever seen such reductions as prevail on some of our offerings. By the time you read this ad our stock will begin to melt rapidly away. Be prepared to take advantage of this extreme Price-Thaw, and save yourself a goodly amount of cash. GET THE DATE FIXED IN YOUR MIND.

The Price Thaw Started Tuesday, January 13th, and the Melting Will Last Until 9:00 P. M. Wednesday, January 28th, 1920.

Men's Hats

Melting Away

These bargains are pure and simple. Each offering represents a value unbeatable. Prices have melted away, and the saving is yours. Remember, the merchandise will melt away when the crowds start coming, so early shopping will be a distinct advantage.

We will place you in the savings class by buying a full pound of ground coffee put up in a nice package, 20c the pound. A delightful drink.

Astonishing, yet true! Blue mixed cotton half hose, ribbed top, 2 pair for 25c. They're good.

You may be doubtful but we GUARANTEE the goods.

No. 2½ can of Jo-Beth-Co. Peaches put up in heavy syrup, ready to serve, 13c or $5.00 doz. cans. None better!

6 Bars Lenox Soap for 25c. Some bargain, but see us tie a string around them with pleasure. No wrapping paper goes.

Two large cans Hebe and you know it is good; 2 cans for 25c. No, couldn't sell it any cheaper by the case.

Cabbage scarce? Yes, and Kraut is going to advance. Ask anybody who is informed. No. 3 cans Jo-Beth-Co. kraut —2 for 25c.

You run no risk in buying the pretty blue and pink Chambray we are going to sell you at 19c a yard.

Permit us to say you'll miss it if you don't get some of the blue and red and black checked gingham we are going to let go at 27½c a yard.

We'll help you start a savings account by buying such items as these: .36 inch Unbleached Muslin at 21c yard.

Strange, isn't it, how we procrastinate doing the things which mean so much to us. Don't let this opportunity slip. A khaki Work Shirt, full size, double stitched, two pockets, well made throughout, at 69c each. About the price of the buttons and thread.

"Listens" like old times. A good Canton Flannel Mitten, fleece inside, knitted wrist, 2 pairs for 25c. Sure a snap.

In spite of the fact that thread has advanced, every day during the thaw the price will melt on old yardage to 5c the spool.

Price thaw has melted until prices are entirely ignored on shirts.

Percales in pretty stripes, $1.25 value **89c**

Madras in attractive plaids, figured and conservative stripes —$2.50 values **$1.69**

Blue ground with narrow white stripe, pink ground with black and white stripe—$5.00 values **$3.89**

When wearing at the club, boys you can remove your coat.

And the sun will melt still more when you get into one of those crepe de chine or tub silk shirts with that pretty broad stripe or that very newest narrow stripe that is worth $15.00 and they don't need to know you only paid us **$11.18.**
